Title: Introducing the British flag in ‘Saga’

Date: November 1st, 2021

Sponsor: Rohan Suri, Senior Co-Class President; Sean Kim, Senior Co-Class President

Text:

Be it resolved that 2021-2022 Student Government introduces the British flag in Anderson Commons, commonly referred to as ‘Saga’, to accurately represent Wheaton College’s student body, specifically students from the United Kingdom.

Rationale:

For decades, Wheaton College has placed flags on the Anderson Commons walls to represent the country of origin for each student. During the 2021-22 academic year, numerous students from the United Kingdom furthered their education at Wheaton College but Anderson Commons has not showcased the United Kingdom’s flag.

The board finds that in order to represent each member of the student body in Anderson Commons, it is imperative to fly the flag of the crown.

Respectfully submitted,
Rohan Suri and Sean Kim
