

Fascination Practice V.2

[F*ck Jobs](#)

- 1) When your “secure” job fails you and how to protect yourself while maximizing cash flow
- 2) How to protect yourself from your job failing
- 3) Defend yourself from the unpredictable
- 4) The sneaky way you’re being robbed of time and money
 - a) ...and how to stop it from happening again
- 5) How do the rich relax on yachts while the middle class produces their salaries?
- 6) The secret behind how the rich operate
- 7) A free, prosperous man or a controllable, poor laborer, which will you choose?
- 8) The one unspoken similarity among billionaires that led to their success
 - a) ...and how to use it for your own
- 9) The truth about working 9 to 5 jobs in the 21st century is being revealed
- 10) How working 9 to 5 jobs is limiting your potential
- 11) The fake illusion of wealth PLUS how to actually make it
- 12) Jobs are going extinct just like the dinosaurs
- 13) The secret to becoming wealthy among a job massacre
- 14) Does 40 years of labor equate to 15 years of controlled freedom?
- 15) Your job doesn’t care...
- 16) The selfish reality of employers and job recruiters
- 17) WAKE UP TO REALITY
- 18) The lies you’ve been told in school are now exposed
- 19) The ingredient most are oblivious to when molding their success
- 20) It appears safe, in reality its toxic and will ruin your dreams of success
- 21) The true vulnerability of your “safe” job
- 22) What many failed to realize cost them decades of their life
- 23) You’re being manipulated, and you’ve never realized it
- 24) Are you hating the job you’re stuck with because you failed to see how it’s a poison to your dreams? You should be.
- 25) The biggest robbery that many are blind to see
- 26) If you’re tired of working your ass off just to make your boss richer, then you NEED to hear the truth about jobs
 - a) Alternative: If you believe working for decades just to have “freedom” for 15 years is worth it, then you NEED to hear the truth
