By ordering a commission or participating in a YCH/raffle, you confirm that you have read, understood and agree to these Terms of Service:

CONTENT:

- You must be over 18 to apply for a commission.
- I create both NSFW and SFW content, so feel free to ask for either!
- Prices may vary depending on complexity, and complex props (vehicles, complex weapons/armor) will
- Please provide all informations in the commission form.
- A quality visual reference sheet/drawing is mandatory. I do not accept descriptions or partial designs with explained changes
- An approval sketch will be provided. Once it has been approved, I will not modify the picture afterwards.
- After delivery, you are responsible for saving all files sent. I may delete them from my device at any time and cannot guarantee re-delivery.
- "Web res" and "Full res" versions of the commission will be provided at the completion of the work.
- **By ordering a commission, you agree to only use the "Web Res" versions for public sharing and keep the "Full res" versions for private use. You also agree to only share the commission once the 1 month period of exclusivity on my Patreon has ran out.**
- Once ready for public sharing, you may post the commission anywhere you'd like, but you must credit me and include a link to one of my pages.
- I reserve the right to reuse any unused drawing element (usually thumbnails I make to suggest poses) for future personal or work relate projects.
- I reserve the right to refuse any commission for any reason.
- Clients with no previous history of purchasing commissions (blank profiles etc.) are very likely not to be selected, as a precaution against scammers.

- You may receive a full refund if I haven't started work on your commission/I decide to cancel for personal reasons.
- Currently, I only accept full payments and not partial.
- Digital art does not require shipping.

PROCESS & COMMUNICATION:

- WIPs will be provided during the creative process. You may ask for updates, but please refrain from being too insistent: I will send a new WIP once progress has been made.
- If you do not reply to an update within 7 days, I will consider the progress approved and continue with the further stages.
- Final files are provided via download link (Google Drive/Catbox/etc.)

DEADLINES:

- I do not accept strict deadlines and currently do not work on a set queue, to give myself the creative freedom to work on what motivates me most at the time
- Turnaround time is estimated between 1 week to 2 month max, depending on complexity and the current queue. In case of illness or emergency, the turnaround might be longer and will provide notice as soon as possible.

OWNERSHIP:

- You retain full ownership and copyright of your original character
- I retain copyright of the artwork created.
- If the character you'd like me to draw belongs to someone else, you must provide proof of permission by the owner.
- Feel free to draw fan art of my characters if you feel like it, no need to ask for permission :> Use the DO's and DON'Ts as a reference basis for what to draw them in. Currently, I just ask that you do not draw Himiko (my Lucario/Blaziken OC) in NSFW content!

CONTACT:

- You may contact me any time, I will answer as soon as possible!
- If you have any questions, feel free to ask.
