

Terms of Service

- By commissioning me, you are agreeing to these terms of service.
- **By commissioning me, you agree to only publicly share the “web res” version provided once the drawing has been finished, not the “full res” 4k version. Also, you agree to sharing the commission publicly after I’ve posted it.**
- I hold the right to post the commission and WIPs on any of my platforms, and to move it to scraps/delete it, if I see fit.
- Clients with no previous history of purchasing commissions (blank profiles etc.) are very likely not to be selected, as a precaution against scammers
- I don’t do private commissions!
- You may repost the commission on your page with links back to mine and proper credit. If it’s part of a trade, repost away!
- **You are allowed to make art of my OCs, but informing me beforehand would be appreciated!** There are some kinks I’m not comfortable with and wouldn’t like my OCs to be part of.
- You may get a full refund for your commission if I haven’t started working on it yet. The refund will be 50% if I’ve already sketched the piece. After the sketch has been approved, a refund will no longer be available.
