Bay Area Street Hockey (BASH)

HELLO! Thanks for checking out our street hockey presence in San Francisco. If you have any questions or would like to be added to our mailing list, you can email us at **SF.BASH.Hockey@gmail.com**. We're a friendly but competitive adult ball hockey group run by volunteers. We play on foot (shoes) not skates or rollerblades. There are 4 ways to engage with us.

- **TUESDAY NIGHT PICK-UPS at DOLORES PARK** - This is the best way to learn about BASH. It's 4 on 4 and normally starts at 6:30PM or 7:00PM depending on the season. Be sure to check our Facebook page to make sure we have enough players (link below). We only allow our nicest players at the pick-up so just show up and introduce yourself and we'll be happy to explain how it works. See FAQs below for equipment and protection. The court is above the tennis and basketball courts. Just look for the sexy people.

- **FALL SEASON** – 5 on 5 which normally runs between September and April. We play on Saturdays at James Lick Middle School (aka 'The Lick') in Noe Valley. Address is 1220 Noe Street in San Francisco in the lower playground. Game start times are between 9AM and 1PM. For players who have never played in the Fall, they need to play in one of our three Saturday tryouts/pick-ups at the Lick prior to the Fall season, normally in August during sign-ups. Curious to see what it's like? Check out our YouTube videos or our awesome league documentary linked to the right.

- **SUMMER SEASON** – 4 on 4 which normally runs from May/June to August. Slightly less competitive than our Fall season, but just as fun. No tryouts needed. Everyone plays, but the same protective gear is recommended. We play at the multi-purpose court in Dolores Park which is above the tennis and basketball courts. Same place as the pick-ups. Game start times are normally between 11AM and 2PM. Sign-ups are generally in April/May.

- **NATIONAL BALL HOCKEY LEAGUE TEAM (NBHL)** – Currently BASH has three teams which compete in the California Division of the NBHL. Games are normally two or three weekends during the Summer in SoCal. If we win the Division, the League Finals are in New Jersey in September. See the NBHL links to the right to learn more about the League. If you are interested in playing on one of these teams, email the league at SF.BASH.Hockey@gmail.com and we'll get you hooked up with one of the captains

FAQS

- **Do I need hockey experience to play?**
  No. All adults (18+) are welcome. If you have never played hockey before and are not sure if this is for you, I recommend watching some of the YouTube videos or stopping by Dolores Park for a pick-up. Either to watch or to run a few shifts.

Referee Quiz

- **What equipment do I need?**
  Street hockey is a physical activity. As with all physical activity, there is risk of injury. During street hockey you can get hit with sticks, balls, other players, etc. **BASH is a Play at Your Own Risk activity**.
  It's important you always protect yourself and wear appropriate gear. We recommend you have a hockey stick, sturdy sneakers, shin pads, groin protection, gloves, and eye protection. We have players that wear mouth guards and helmets. Each player's choice of protection is up to them.
- **How competitive is BASH?**
  The Fall season is competitive. The Summer season is less competitive, but people still play to win.
- **What's the best way to follow BASH?**
