

In the old 2099ug message boards there was a checklist ([http://www.comicboards.com/2099ug/moder ... klist.html](http://www.comicboards.com/2099ug/moder...klist.html)), but it had not been updated in years and since that message board is no longer operating, I decided to adopt the checklist and start updating it.

Some updates to the list have been taken from Valiantfans Message Boards (<http://valiantfans.com/forum/viewtopic.php?f=40&t=25272>) others from doom2099.com, some from wlackey2's printable checklist ([https://web.archive.org/web/20080610025 ... 9check.htm](https://web.archive.org/web/20080610025...9check.htm)) and plenty that I have found myself.

The Checklist is still (or always) a work in progress, but progressing all the time, except when it's not progressing, but it will progress eventually. If you wish to use this checklist somewhere, remember to give credit where credit is due and link to this list.
