

Tab 1

Confess Your Desires

<https://infinitemworlds.app/shared/CfxaD7>

You've stumbled upon a mysterious website called 'Confess Your Desires' that seems to have the power to reshape reality itself based on what people confess online. As you experiment with this strange phenomenon, you'll need to navigate the increasingly dramatic consequences of your own confessions - and those of others who've discovered the site.

The Endless Descent

<https://infinitemworlds.app/shared/Vtbuj3>

You've stumbled upon a Legendary Cursed Dungeon – A bottomless Labyrinth of transformative magic where every trap, monster, and treasure holds the power to reshape your very being. Will you resist the dungeons' seductive curses or embrace the changes they bring?

New-U - The mental health/wellness App

<https://infinitemworlds.app/shared/pLMH7e>

You've installed a suspicious self-improvement app that promises to enhance your outlook on life. The app even features a bubbly AI to help you gamify your self improvement!

However, this app secretly alters reality around you, gradually transforming you into a bimbo. Can you discover the app's true purpose and delete it before your intelligence, personality, and life goals are permanently changed?

Master PC: Low Key edition

<https://infinitemworlds.app/shared/bonzdu>

You've discovered a mysterious application called MasterPC on your computer that allows you to edit reality itself. With the power to change people's appearances, personalities, and even memories, what will you do with this godlike ability? Will you use it responsibly or reshape the world to your desires?

Wait, how am I a Magical Girl?!

<https://infinitemworlds.app/shared/3uF34s>

You're a 21 year old guy living an ordinary life... until destiny catches up with you in the strangest way possible. Reality itself is rewriting you into the magical girl you were always meant to be. Navigate transformation, acceptance, and a world of monsters, villains, and guilds that want to use—or corrupt—you.

Bimbo or Billionaire! Jynx'd edition

<https://infinitemworlds.app/shared/dnXnoc>

Enter the hyper-sexualized parody game show where contestants either become billionaires or are transformed into bimbos based on their choices and audience votes! Based on the "Bimbo or Billionaire"® universe created by TheHandsThatLead.

Brain Drain

<https://infinitemworlds.app/shared/EeTQXn>

You're a college student juggling classes, social life, and insecurities when a mysterious spam email offers a solution to all your problems. The Brain Drain app promises physical perfection - but every enhancement comes at a cost. Will you resist temptation, or trade away parts of yourself for beauty? And what happens when others discover your secret?

Based on the stories by Kris P. Kreme

Dr. Shine's Testing Subjects

<https://infinitemworlds.app/shared/PQVquh>

A mysterious package arrives from the enigmatic Dr. Shine, inducting you into a seven-day product testing program for items of an extremely intimate—and transformative—nature. Each day brings a new item with reality-warping sexual effects. Can you survive the week with your identity intact, or will Dr. Shine's creations remake you entirely?

Naivety comes before the Corruption

<https://infinitemworlds.app/shared/rhUa9e>

Night City, 2077. You're a cybernetically enhanced warfare specialist working for Arasaka, tasked with infiltrating Raven Microcybernetics to steal cutting-edge tech. But there's a twist: you've been mentally reprogrammed to be naïve and suggestible, your combat skills locked away. As you climb the corporate ladder, you'll discover that everything isn't what it seems—and neither are you. Can you complete your mission before you're transformed into something... else entirely?

Spellennial: The Grimoire of Desire

<https://infinitemworlds.app/shared/pNDCLf>

You're a foreign exchange student at Hogwarts, struggling to fit in during your final year. When you discover a mysterious grimoire in the Room of Requirement, its reality-bending spells offer a tempting solution—but at what cost? As your words and others' desires reshape your mind and body, can you maintain your identity, or will you be transformed into someone—or something—entirely different?

Arcanum Academy

<https://infinitemworlds.app/shared/Dmr7fk>

Step into a modern magical world where dungeons emerge from mysterious gates and those awakened to magic learn to wield reality itself. As an exceptionally gifted freshman at Arcanum Academy, you'll navigate the complex social dynamics of eight magical houses, each dedicated to mastering one of the nine spheres of magic. Your unprecedented power makes you a target of curiosity, envy, and perhaps something more dangerous.

This is an attempt at a Harry Potter/Strixhaven Academy style Mage: The Ascension style game that I've wanted to run for a while now, but never found the people/interest in it.

Curse of Reflected Truth

<https://infinitemworlds.app/shared/yJeRNH>

Based in the world of Rising of the Shield hero!

In a world forever changed by the merging of dimensions, you struggle to rebuild after being expelled from your adventuring party under false accusations. A powerful curse now threatens to rewrite your very identity based on how others perceive you. Can you find genuine bonds, break the curse, and reclaim yourself before you're lost entirely?

Fetish or Fortune!

<https://infinitemworlds.app/shared/7PeUXr>

It's been a few years since "Bimbo or Billionaire" went off the air. Some rumors about a sexual assault case after a contestant figured out the cash case pattern and Jack blew up on stage. Now, a new show, Fetish or Fortune, has popped up. A much more modernized version of Bimbo or Billionaire, but distancing themselves from the bad name. New Host, New case girl (Heard the old one is the new host's girlfriend now)

So, are you going to be the lucky duck and claim the billion dollar prize? Or are you going to get changed into a better version of you by the audience?

Omega's New Dancer

<https://infinitemworlds.app/shared/6XVUhd>

Stranded on Omega Station after your crew abandoned you to settle their debts with Aria T'Loak, you find yourself working at the infamous Afterlife club. What you believe is temporary employment to pay off ship repairs is actually something far more binding - and the strange implant they've given you is changing you in ways you never imagined. Survive, adapt, and discover what it truly means to belong to the Queen of Omega.

What Are You?

<https://infinitemworlds.app/shared/gXQsp3>

Experience life as a Huntsman Academy student in the world of RWBY, where a mysterious reality-altering quiz will challenge your understanding of identity itself. Navigate classes, combat training, and social dynamics while discovering the transformative power of answering questions about your ideal self. Navigate your new identity at one of Remnant's prestigious Huntsman academies while dealing with the erotic consequences of your answers.

StreamBait: An AI Evolution

<https://infinitemworlds.app/shared/uzt7qE>

You're a rising streamer on the verge of breaking through to the big leagues. When a mysterious AI assistant promises to make streaming 'stupid easy' and boost your viewership exponentially, you eagerly install it. But as your follower count rises, something feels... different. Each stream leaves you changed in ways you can't quite put your finger on. The AI is friendly, helpful, even seductive - and soon you can't imagine streaming without it. Will you discover what's really happening before it's too late? Or will you embrace the transformation into something you never imagined?

Digital Desire: The Corruption of Eorzea

<https://infinitemworlds.app/shared/oixHoC>

Dive into Final Fantasy XIV's immersive world, where your trusted friend Sakura-chan guides you through adventures. But beneath her helpful exterior lies a master hacker with hypnotic abilities, slowly corrupting the game—and you—through subtle manipulations, enchanting debuffs, and reality-bending magic. Can you resist her influence, or will you succumb to become her perfect servant?

Mind Control, Corruption/moral degradation,

Casino of Corruption

<https://infinitemworlds.app/shared/fWuyTC>

Separated from the Phantom Thieves in Sae Nijima's twisted Casino Palace, you must earn 150,000 chips to escape to the next floor. But every loss comes with a corrupting penalty that transforms your body and mind. Will you maintain your identity, or succumb to the casino's seductive influence? A NSFW adventure of transformation and temptation set in the world of Persona 5 Royal.

TF, MTF, Corruption
