Thurs. March 9, 2023	6-8	4:00-5: 00	Writing Opportunities in the <i>myPerspectives</i> Curriculum	https://savvas.zoom.us/meeting/register/tZcsdO2tqDMrGtPrcPgZlJNFhEZPSww5kLww

Writing Opportunities in the *myPerspectives* Curriculum: In this session, teachers will engage in an overview around how writing is embedded within the context of *myPerspectives* as well as the additional tools found on the Realize platform.

Digging Deeper: The purpose of this session is to explore the Digital Resources available that enhance student engagement with the text, including the specialized text annotation features within the platform.

Taking a Closer Look at *myPerspectives* Assessment Opportunities: Preparing for State Exams and the ACT: The purpose of this session is to explore the multiple assessment opportunities provided via the *myPerspectives* dashboard. This session will explore various tools and resources within the *myPerspectives* curriculum that highlight end-of-year and ACT testing resources.
