

**Title:**STEAM Camp Training/Modeling Lessons

**Audience(s):** K-6

**Grade Level(s):** teachers, instructional coaches, curriculum leaders, expanded learning coordinators, expanded learning staff

**Overview:**

Learning does not end when the school bell rings. STEAM Camps offer a hands-on learning approach and an opportunity to continue learning. With STEAM activities students are engaging, encouraging creativity and innovative thinking. We offer training for your staff in lesson planning, modeling STEAM activities, and providing informational support with materials.
