- **Around the space**

- New router table
- Really need to get more members checking DC bins
  - Possible chip filtering out at jointer and planer
  - Reminder signs at machines
- Laser scrap cart is getting abused — no more swiss cheese please! Signage for the cart is coming to help.

- **Volunteer projects**

- Lobby improvements
  - Sink area outside the bathroom
    - Reface cabinets
    - Remove upper cabinets

- Repair and paint walls
    - Build and install 2 floating shelves
    - Install new countertop
    - Install new faucet
  - Shop area signs
    - Need someone to commit to making 3D printing sign and metal shop sign
  - 3DP shop workbench builds
  - Tool locker storage — cabinets are complete
    - Need to hook them up to OpenPath
  - Textiles design wall
    - Christina Waite has fabric ready, just need some wood pieces added to attach to
