

[Download the Philippians Study Guide - Click Here](#)

Instructions for accessing the file from a computer:

1. Click on the link above to automatically download your own copy of the digital version of the study guide.
2. Open the file from your computer after it downloads.
3. Once it downloads, open the file using a pdf software such as Adobe.
4. Add notes and responses to the guide as you work through the study. You may need to save your notes after working in the document.
5. To find the guide again, open it from Adobe.

Instructions for accessing the file from a cell phone or tablet:

1. Download the Acrobat App.
2. Click on the file from the CCC Website to download it to your device.
3. Once the file opens, click the “send” icon that looks like this. 
4. From the app options, scroll to find Acrobat and select it.
5. The guide will open in that application and you can type on it.
6. The next time you open the document, go to Acrobat again.

Thank you for joining us for the Philippians study!
