

Bi-Weekly Update 2/12/2025

Dear Fairbanks Families,

Over the next two nights, parents and family members will have the opportunity to meet with our teaching, guidance, and administrative teams to discuss students' successes and areas for growth. My hope is that these conversations bring no surprises but instead serve as a valuable opportunity to strengthen the partnership between home and school.

As a district, we recognize that supporting each student's individual needs requires a strong collaboration with families. We deeply appreciate the investment you make in your child's education—setting high expectations, providing support, and sharing insights with our staff. Together, we walk alongside one another, working toward the common goal of helping our young people become the best versions of themselves.

Happy Conference Week!

For Fairbanks,
Adham

Please see district updates below:

Upcoming Events:

2/12-2/13 - Parent Teacher Conferences
2/14 - No School
2/17 - Presidents' Day - No School
2/28 - Community Coffee - Plain City
3/6 - Beef-n-Beats Supper at 4:30pm
3/6 - Mid-Year Concert - Band & Choir at 7:00pm
3/21 - Community Coffee - Marysville
3/22-3/30 - Spring Break - No School

Community Coffee 2/28

Our next Community Coffee will be at the Richwood Coffee in Plain City on Friday, February 28 at 8:30am.

Calamity Day Planning

Our schools have used the five allotted calamity days. Please review our **Calamity Day Planning** and the key points below for our next school closure. Please reach out if you have any questions.

- **After Day 5**, remote learning plans will be implemented for calamity days 6 through 9. You can review the full plan here: [Calamity Day Planning](#)
- We are permitted to use this **remote learning plan** instead of "Blizzard Bags" to avoid adding in-person school days, unless we exceed **nine** calamity days.

- **Students will not be required to be on their devices all day.** The provided schedules offer structure, and teachers will be available via email for any questions.
- **Assignments will be shared** with students and families by **10:00 AM** on each calamity day. Please watch for communication from building principals regarding school-specific details.

PowerSchool Cybersecurity Incident Update

If you missed the communication on 2/5 regarding the PowerSchool Cybersecurity Incident or if you had trouble accessing the link that was provided, you can view it [here](#).

Students Driving on Campus

Please remind your students who drive on campus to follow all traffic safety rules, including keeping phones down, adhering to speed limits, and coming to complete stops where required. With the high volume of traffic during morning arrival and afternoon dismissal, it is essential that all drivers remain attentive to ensure the safety of everyone on campus.

We appreciate your support in reinforcing this message at home. Thank you for helping us maintain a safe environment for all!

Kindergarten Registration is OPEN!

If you have an incoming kindergartener for the 2025-2026 school year (age 5 by 8/1/25) please complete your [Kindergarten RSVP](#) by March 30. This helps us plan for Round-Up appointments in May.

FES Camp Invention - June, 2025

Camp Invention is new to FES in 2025 and will be offered to current elementary students. View the flyer for details and a \$40 savings!

[Wings Support & Recovery](#) - Family peer support for caregivers of youth suffering from substance abuse disorders or mental health disorders.
