Congratulations! You have earned a spot in the 2025-2026 Allen HS Philharmonic Orchestra! Members of the Philharmonic Orchestra serve not only as ambassadors to the orchestra but often represent Allen High School around the community as well. Philharmonic Orchestra students have many responsibilities beyond that of students in the other Allen Fine Arts Ensembles. Since Symphony is the top-level group, all Philharmonic Orchestra members are expected to participate and represent Allen in various competitions and events throughout the year including:

Links below contain Concert music for practice. Instrument assignments are enclosed.

Student expectations

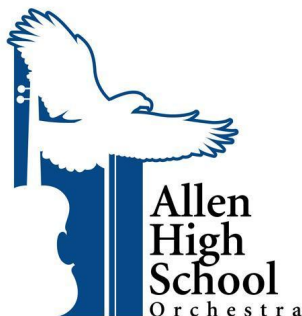

1. Students will prepare for and attend all rehearsals and performances as listed on the 25-26 Philharmonic Orchestra Schedule. Attendance and tardy policies will be followed from your parent organization handbook.
2. Students will join the MakeMusic Cloud Philharmonic Orchestra class for practice and assessments. Any MakeMusic assigned assessments may be graded by your director.

Students who prepare for and attend all rehearsals and performances will receive a 25-26 Orchestra T-Shirt (given after student acceptance into the Philharmonic Orchestra), a 25-26 Allen HS Philharmonic Orchestra Senior Jacket Patch (given at the conclusion of the UIL Concert), and can use the Philharmonic Orchestra experience as 100% of your Advanced Music **Project Grade** (students will need to turn in reflection paper into Canvas). Failure to meet any or all student expectations can result in a loss of patch and Project grade.

Being selected as a member of the AHS Philharmonic Orchestra is a big honor! We look forward to a year of fantastic performances. Mr. Cross
