

Name of the Laboratory	Significant equipments and software available	Faculty In-charge
Basic Electrical Engineering Lab	Network Theorem Kits, Measuring Instruments such as Voltmeters, Ammeters, Wattmeters, Multimeters etc. Single phase and Three Phase Electrical and Mechanical Loads. Single Phase Transformer, Three Phase Load, DC Machine, Induction Machine, Synchronous machine etc.	 Dr. Lalit Kumar Sahu

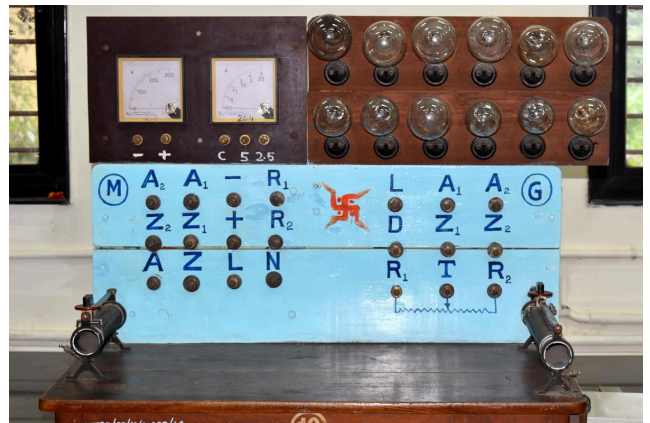

**Basic Electrical Engineering lab**

**Two Wattmeter Method Panel**

**3 Phase Transformer Set**

**KCL/KVL Panel**
