District Illness Guidelines

Stay Home When Sick:

Students and staff should stay home with any potentially contagious illnesses or symptoms including the following:

- Vomiting or Diarrhea - must be 24 hours symptom-free and able to tolerate food and drink before returning to school.
- Fever 100.4 or greater - must be home until fever-free without the use of medication for greater than 24 hours.
- Any infection requiring antibiotics - keep your student home until they have been on antibiotics for 24 hours.
- A persistent cough that disrupts regular activity.
- Excessive nasal drainage - check with your child's doctor before sending your child back to school.
- Unexplained rash - check with your child's doctor before sending your child to school.
- Red or draining eyes - check with your child's doctor before sending your child to school.
- COVID-19 - stay home until fever-free without medication for 24 hours and symptoms have improved. Please report any COVID-19 to the school nurse.
- Influenza - stay home until fever-free without medication for 24 hours and symptoms have improved. Please report any influenza to the school nurse.
- Any other symptoms or illness that impede a student's ability to learn or staff's ability to work.
