

RoboNuggets Community

Terms & Conditions

By joining the RoboNuggets Community, you agree to the following terms and conditions. These exist to protect both our members and the integrity of the community.

1. Overview

RoboNuggets is a private learning community designed to help members build real-world AI automation skills, create content at scale, and grow through structured learning, live sessions, resources, and community support.

Because access to content, community, and resources is granted immediately upon joining, certain limitations apply around refunds, usage, and access.

By completing payment for any RoboNuggets membership, you confirm that you have read, understood, and agree to these Terms & Conditions.

2. Membership Types

RoboNuggets currently offers: - **Monthly membership** - **Annual (yearly) membership**

Each membership grants access according to the tier selected at checkout.

3. Refund Policy

RoboNuggets is a private learning community designed to help members master AI, build automations, and grow their skills and businesses. Members receive immediate access to structured curriculum, proprietary resources, weekly live calls, expert sessions, and a supportive network of peers. Because this value is delivered upfront, refunds are limited.

Monthly Memberships

- Monthly memberships are eligible for a 24-hour refund window from the time of purchase.
- You may cancel at any time.

- If you cancel after the refund window, your access will remain active until the end of your current billing cycle.
- No partial refunds are issued for unused time.

Annual (Yearly) Memberships

- Annual memberships are eligible for a 3-day refund window from the date of purchase.
- After 3 days, annual memberships become non-refundable.

Refund Review Process

For eligible refund requests, we may ask for brief context to better understand your situation, including: - Why you joined RoboNuggets - What outcome you were aiming for - Where you felt expectations were not met

This helps us improve the community while remaining fair to all members.

Access Revocation

If a refund is approved: - Access to the platform is revoked immediately - This includes all courses, recordings, resources, community spaces, and future sessions

4. Renewals (Annual Memberships)

- Annual memberships renew automatically unless cancelled.
 - You may cancel renewal at any time before the renewal date or change your membership to the monthly tier.
-

5. Grandfathered Pricing

- Members are locked into the price they joined on for that specific tier.
 - Grandfathering applies within the same tier only.
 - Upgrading to a different tier may be subject to the pricing active at the time of upgrade, unless explicitly stated otherwise.
-

6. Content & Intellectual Property

All content within RoboNuggets is proprietary and includes (but is not limited to): - Courses and modules - Session recordings - Workshops, templates, guides, and resources - Written posts and community resources

You may: - Use the content for your personal learning and development while you are in the community

You may not: - Share, resell, distribute, or republish content - Record sessions for redistribution - Use content to create competing products or communities. - Use the RoboNuggets name, branding, or likeness to create websites, landing pages, or online presences that could be confused with official RoboNuggets properties - Register domain names containing "RoboNuggets" or variations of it without written consent

Violation of this may result in immediate removal without refund.

7. Account Usage & Sharing

- Each membership is for one individual only.
- Account sharing is strictly prohibited.
- This includes sharing logins, recordings, or resources with non-members.

RoboNuggets follows Skool's platform policies regarding account usage and may rely on platform-level detection and enforcement.

If account sharing is detected: - Access may be revoked immediately - No refund will be issued

8. Community Conduct

RoboNuggets is a community-first space. Members are expected to: - Treat others with respect - Engage constructively - Use the appropriate channels for questions and discussions

We reserve the right to remove members who: - Disrupt the community - Repeatedly ignore guidelines - Engage in harmful, disrespectful, or unethical behaviour

Removal for conduct violations is non-refundable.

9. Session Availability

- Live sessions (Create Sessions, etc.) may be rescheduled or adjusted as needed.
 - Not all sessions are guaranteed to be recorded.
 - Access to recordings depends on the nature of the session.
 - We aim to communicate changes clearly via announcements and the calendar.
-

10. Changes to the Platform or Offering

RoboNuggets may: - Update curriculum - Improve or restructure sessions - Introduce or retire features - Adjust community structure

These changes are made to improve quality and long-term value and do not constitute grounds for a refund.

11. Limitation of Liability

RoboNuggets provides education, guidance, and community support. We do not guarantee:
- Income or revenue - Specific business outcomes - Client acquisition

Results depend on individual effort, consistency, and circumstances.

Our Commitment

RoboNuggets exists to: - Make AI automation accessible - Protect the community - Deliver real value without gimmicks

These terms are not here to catch people out — they're here to keep the space healthy for everyone.
