

Privacy Policy for Anoroam

Introduction

Welcome to Anoroam! Your privacy is of utmost importance to us. This Privacy Policy outlines how we collect, use, and protect your information when you use our application. By using Anoroam, you agree to the terms outlined in this policy.

1. Information We Collect

a. No Personal Data Collection

- **Anonymous Usage:** Anoroam does not require any registration, login, or provision of personal details such as your name, email address, or phone number.
- **Message Content:** Messages sent through Anoroam are temporarily stored on our servers. Only the five newest messages are displayed, and older messages are automatically deleted as new ones are added. No personal identifiers are associated with these messages.
- **Media Content:** Users can send images and videos, which are stored temporarily. Only the five newest media files are kept, and the oldest file is deleted each time a new one is uploaded. No personal identifiers are associated with these media files.

b. Device Permissions

- **Minimal Permissions:** Anoroam does not request access to your contacts, location, or any other sensitive data.

2. How We Use Your Information

a. Temporary Data Storage

- **Message and Media Handling:** Messages and media files are stored temporarily on our servers to facilitate delivery. Only the five newest messages and media files are kept, and older ones are automatically deleted.

b. No Logs

- **No Server Logs:** Anoroam does not maintain any server or application logs. This ensures maximum privacy and anonymity for all users.

3. Data Security

a. Anonymity

- **No User Tracking:** Anoroam does not track user activities or store any personal data. All users are identified as "Anonymous" within the app, ensuring privacy.

4. Data Retention

a. Automatic Deletion

- **Data Cycle:** All messages and media files are automatically deleted as new ones are added, ensuring no long-term storage of user data.

5. Third-Party Services

a. No Third-Party Data Sharing

- **Independent Operation:** Anoroam does not share user data with third parties. We do not use third-party analytics or advertising services that could compromise user privacy.

6. User Rights

a. Data Access and Deletion

- **Data Management:** Since Anoroam does not store personal data, there is no personal data available for users to access or request deletion of.

b. Privacy Concerns

- **Contact Us:** If you have any concerns or questions about your privacy while using Anoroam, please contact us at scriptiez.in@gmail.com.

7. Changes to This Privacy Policy

a. Updates

- **Policy Modifications:** We may update this Privacy Policy from time to time. Any changes will be posted on this page, and we will notify users through the app. Your continued use of Anoroam after any changes indicates your acceptance of the new policy.

8. Contact Information

a. Get in Touch

- **Support:** For any questions or concerns about this Privacy Policy or our privacy practices, please contact us at scriptiez.in@gmail.com.
