

HARMONIZING SCRATCH ENCORE PD

Learn to customize Scratch Encore lessons for your classroom!
Join us for our experimental Summer 2023 Harmonizing Encore PD.

Have you taught Scratch Encore in your classroom? If so, we invite you to consider this opportunity!

Earn a stipend for participating in our **research study** (participation required)
Go home with **two customized, culturally relevant modules** (including all student-facing materials), as well as the **ideas** and **knowledge** to make more customized modules!

You'll learn how to:

- Gather your students' interests to create projects that will appeal to students
- Brainstorm great culturally relevant projects
- Create two culturally relevant Scratch Encore Modify projects for your students
- Create student materials that match your redesigned project

We are offering a one-week, virtual PD, including:

- 1.5 hour synchronous sessions (11am-12:30pm EDT / 8-9:30am PDT)
- 2.5 hours homework, daily
- Office hours (optional - held twice each afternoon with Scratch Encore team members)

	Virtually on Zoom
Cost	Free!
Stipend for Participation	\$350.00
Modules Covered	2 - 4
Dates	July 24th - 28th
Total Hours	17.5 hours

Completion Certifications will be provided. Please check with your school district to see if this certificate can be submitted for PD credits.

If you are interested in participating, please register [here](#) today.

Please contact Jen Palmer at jenpalmer@uchicago.edu if you have any questions.
