| fundraising                      | Jon Reed                | Jon wants to get rid of Frenzy and Forest and bike race (Mark Gurney). Benefits rec dept but if Mark is not involved, prob not. Frenzy in Forest used to benefit leadership which does not exist. Opportunity to take over. They would mentor 1st year if anyone takes over. Attendance going down. Past senior has done Frenzy as senior project. Jon spoke of tasks needed to run it - prep of trail, donations for prizes. sponsors etc. Frenzy makes \$500-1000ish. 120 ppl average. Date is traditionally set in July 13th (same as Prouty). Discussion revolved around the poor timing, members not continuing on Board, and the commitment.
