

MISSION

- **Beliefs that make the reader believe what you have:** 🙌
 1. Do not have a weak and feeble personality.
 2. Have a good reputation in your community and among those around you.
 3. You have a record of victories in reality.
 4. Body language and self-confidence.
- **The test of different ways can provide** 👍
 1. I will test the results of my impact on the client in terms of results and so on.
 2. I will see his way of thinking and his view on the subject after talking to him to see if I have influenced his belief or not.
 3. I notice the event, expression and action that it will perform after being influenced to check and evaluate its results.
