

Showcase of HBCU

November 14, 2024

Things to know before we go:

*Wear comfortable shoes and dress for the weather. We are walking, the convention center is large, and there are stairs.

*Think Business Casual. Many schools will be there in uniforms with collared shirts and dress pants, we want you to stand out, but not in the wrong way. This might be the first time you meet a college rep and you might love their school and we want you to get ALL THE MONEY and the BEST work-study experience. Avoid jeans with holes, shirts with negative messages, etc. I would recommend dressing yourself up just a little.

*Please pack food/drink to avoid long lines and expensive purchases. This is a CASHLESS event. Although there may be vendors such as coffee or lunch stations, they only take cards. Additionally, lines tend to be VERY LONG.

*Those that ordered lunch from JCPS, pick up in the cafeteria at 8:30 after checking in with us in the lobby.

*You CAN share your info with colleges and employers, but you do not have to. Robin will print one copy of each person's transcript and ACT scores for juniors and seniors. Get your papers from Robin at lunch if you want to share.
