Pillar Aligned Self-Reflection

For this reflection you will answer 5 total questions. Everyone must answer the self-reflection question and then, you will select at least 4 pillars of the 5 CCCA Pillars in which to complete the following activity. For each, explain how this project has helped you in satisfying that particular pillar. Be honest, as this will not affect your overall project grade, but rather simply a way for you to look back on the process and what successes you can build upon (or obstacles you can overcome) in the future.

1. Self-Reflection Question

- **What do you think you did well on this project? Explain. (At least 3-4 sentences)**

- **What would you have done differently on this project if you were given the opportunity to redo it (but the actual assignment stays exactly the same)? Explain. (At least 3-4 sentences)**

2. Collaboration

- **How have you satisfied this pillar during this project? (At least 2-3 sentences)**

3. Responsibility

- **How have you satisfied this pillar during this project? (At least 2-3 sentences)**

4. Grit

- **How have you satisfied this pillar during this project? (At least 2-3 sentences)**

5. Critical Thinking

- **How have you satisfied this pillar during this project? (At least 2-3 sentences)**

6. Leadership
