UK protest info via [@ldnblm](#)

There are things you can do if you can't go to a protest. You can share the info below or be a contact person for someone you know and their friends at the protests in case they need someone to help with the labour of the below. Be a point of contact and be stand by!

[@ldnblm](#) also offer that you can email them if you witness an arrest and can send the statement to ldm-blm@riseup.net - and provide name + phone number

ADVICE ON ARREST:

Say '**NO COMMENT**' to all police questions during casual chats, 'booking in' & interviews. At the police station you may wish to give your name, address and date of birth to speed your release. If asked your nationality you must give it. For your protection and that of other people don't answer further questions. Please let me know if you know of anyone else to add to this!

Do not accept a **CAUTION** without advice from a recommended solicitor. This is admission of responsibility and goes on the police national computer.

You have the right to **FREE LEGAL ADVICE** at the police station. Duty solicitors don't always have experience with protest law we recommend asking the police to contact one of the following:

ITN (Irvine Thanvi Natas): 020 3909 8100

HJA (Hodge Jones & Allen): 0808 252 8678

Bindmans: 0207 833 4433 / 0207 7305 5638 (out of hours)

Kelly's: 01273 647 898/0800 387 463 (out of hours)

LEGAL QUESTIONS ABOUT PROTESTS

STOP AND SEARCH: you do not have to give your name and address under any stop and search power, see below website for more details. Legally you must be told the reason and the power you are being searched under. If you witness and arrest, want support or have legal questions about protests: courtsupport@protonmail.com or **07946 541 511**

Legal observers are independent volunteers who gather evidence on behalf of protesters and act to counter police intimidation and misbehaviour. Read more about your rights and protest legislation: www.greenandblackcross.org

After arrest &/or if you have a court date & want advice email: **courtsupport@protonmail.com**

 - Do not open doors: ICE cannot come in without a signed warrant by a criminal court judge. They can only come in if you let them in.
 - Remain silent: ICE can use anything you say against you in your immigration case so claim your right to remain silent (“I plead the fifth amendment and choose to remain silent”)
 - Do not sign: Don’t sign anything ICE gives you without talking to an attorney
 - Report and Record: Take pictures and video unless you’re on federal government property. Take notes of badge numbers, number of agents, time, type of car, and exactly what happened (UWD hotline 1-844-363-1423)
 - Fight back: Get a trustworthy attorney to explore all options to fight your case. If detained, you may be able to get bail - don’t give up hope! Join your local team to defend yourself from enforcement!

Justice for **GEORGE FLOYD** contacts

GEORGE FLOYD is the name of the man who was murdered by DEREK CHAUVIN (badge 1087), TOU THAO (badge 7162), Thomas Lane, and J Alexander Kueng. If you truly care about getting justice, **make phone calls to these numbers and express your anger**. We cannot let another killer cop walk free.

UPDATE: As of May 29, Chauvin has been charged for third-degree murder. Continue pressuring officials for harsher charges because what he did was clearly not an accident. Also continue pushing for the other cops who were at the scene to be charged.
