Connect to Literacy™ Family Access Logins

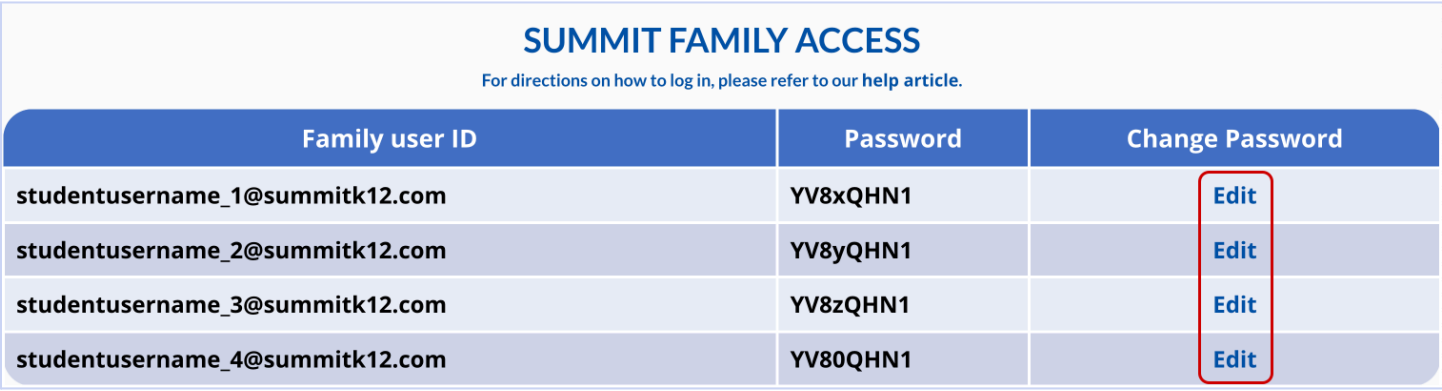

- The system auto-generates 4 family user IDs based on the student's user ID
- The "Family Access" role is similar to a student's role, but does not require a teacher to assign activities and cannot be viewed by school personnel

Where to find your Family Access logins

1. Log in to your student's account through Clever.
2. Once logged in, hover over "My Account" and select "Family Access" from the drop-down menu.

3. You will see the 4 family user IDs and auto-generated passwords. The passwords can be changed by clicking the "Edit" button.

How Connect to Literacy™ and Summit K12 helps your child

- Year-round, high-quality practice to help your child improve their language skills and achieve the best ELPAC and CAASPP outcomes
- Personalized Learning Plans (PLPs) are tailored learning pathways that adjust to your child's needs, ensuring they receive a customized education
- Manageable steps that take into account your child's language abilities to build toward their success
- Speaking exercises with sample recordings to help your child improve their speaking skills
- Accelerated reclassification of LTELs
- Recognition of student usage to honor their hard work
- 4 family licenses per student to encourage family members to practice their English language skills

How you can help your child's language skills at home

- While running errands, enrich your child's home language vocabulary by teaching them new words, identifying and naming objects, and assisting them in refining their pronunciation
- Engage in storytelling with your child and foster their home language by encouraging them to narrate their own stories
- Expose your child to games, puzzles, and music in their home language
- Make it a habit to read books in both English and their home language with your child every day
- Encourage your child to write in their home language by creating grocery lists, writing to relatives, or making checklists
- Visit the public library regularly and keep materials in their home language in your home
