

IACS Literary Magazine — The Scribbler

Calling all artists and writers! Looking to find a place to publish your work?

We're looking for editors and anyone interested in putting together a literary magazine for the year. This is a yearlong commitment, and we are looking for students who are hardworking and dedicated to publish a literary magazine by the end of the year.

The Scribbler will meet on Mondays after school from 3:30-4:30 PM virtually via Zoom.

Mr. Pisco is the Literary Magazine Advisor.

To join, return a signed permission slip to Mr. Pisco.

You can start attending meetings once I receive an email from your legal guardian.

We understand that good academic standing must be maintained in order to participate and that focus, commitment and hard work is necessary in order to produce a quality literary magazine for the IACS community. We know that this is a serious, year-long commitment.
