How can Partners earn?

After you choose the type of partnership **Influencer** or **MLM Partner**, you only need to go through **3 simple steps**.

1. Registration.

You need to register and log in to your personal account.

2. Share.

You need to take the link inside your personal partner account and share it with a friend on social networks or messages, etc..

3. Withdraw funds.

After someone makes a purchase using your link, you can withdraw the earned funds to your personal account in your bank or payment wallet.

How much can I earn?

You are an MLM Partner.

If you invite only **5 friends** who buy only one item each for **\$149** and them also invite **5 friends** each with the same purchases, then earnings like the table below are possible.

At the same time, it is important to be the first, the earlier you start, the higher your monthly income from sales will be. At the same time, respect the work of others, do not jump over those who invite you.

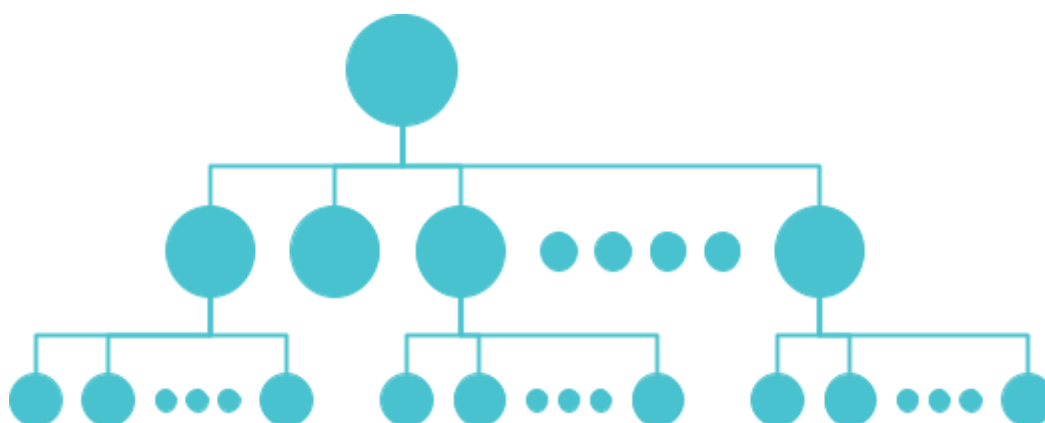

Level	Members in Each Level	Team Count	Level Income, USD	Level Income per User, USD
1	1	3905	21277.2	21277.2
2	5	3900	32011	6402,2
3	25	3875	48492.5	1939,7
4	125	3750	56525	452,2
5	625	3125	59500	95,2
x	3125	0	0	0

Notification. Everyone can attract more than **5 people**, there are no restrictions. Nowadays, each of us has hundreds, and sometimes thousands and more, friends and subscribers only on Facebook, Instagram, TikTok, YouTube and other social networks. These are people who will shop constantly. At the same time, **5** is only a reasonable minimum, like fingers on one hand. And you can certainly do more.

When will I earn my First \$1 Million in Unilevel MLM?

If you live a pleasant lifestyle, hang out with friends and surf in Bali, you will attract your **5 people**, and each of them your **5**, etc. Then your monthly income will be **21.277.20**, that is, **255.326.40** per year. So your **First \$1 Million** will find you after the **3rd year**. But we see that you are the same active Leader who will easily gather **7 people**, each of whom will have the same productivity. At this case, your **First \$1 Million** be reached in less than a year.

What is Unilevel MLM Model?

How it works? How does the partner tree look like? What are the advantages compared to other MLM Models? The answers to these questions can be found in the tutorial documentation [here](#).

You are a Social Media Influencer.

For example, you are a beginner YouTuber or TikTok. You spend a couple of hours a day on a pleasant hobby and recording videos. At the same time, you already have about 10 thousand subscribers. As you know, it's simple. Imagine that you convinced only 0.5% of your audience to make a purchase. 50 people out of 10 thousand is more than reality. See what happens.

Level	Members in Each Level	Team Count	Level Income, USD
1	1	50	4470
x	50	0	0

Imagine what your income will be if you reach 1 million. subscribers instead of 10 thousand? Really interesting? Will ordinary advertising bring you so much?

When will I earn my First \$1 Million in Social Media?

A simple mathematical calculation shows that 11186 buyers will bring you **First \$1 Million**. This will happen when you are the lucky owner of an account where there are already a little more than **2 Million** subscribers and provided that **0.5%** of this community will make at least one purchase.

Is it really amazing? At the same time, your income from advertising of the social platform itself will also continue.

To make this happen, you only need to add a link in the content or description to your Video, or name and show in your content your **personal Discount Code**, which we will create for you. Your audience, buying with your code, will receive a good custom discount, while their purchases will bring you income.

All referral systems are lifetime. If at some point you want to do something else or retire, do not forget to go to your personal account and withdraw income.

Hurry Up, Dear Friends!
