Taste of Home has amazing recipes, and one of them is the Apple Brickle Dip recipe found here: <http://www.tasteofhome.com/recipes/apple-brickle-dip>

Notes:

*Neufchâtel cheese can be substituted for cream cheese.

*I use 1 (8 oz.) package of Heath Bits O' Brickle toffee bits.

*I use 3 or 4 medium-sized tart apples like Granny Smiths, cut into wedges or chunks
