

## Dangerous Events Log

[Briefly, in one or two sentences, describe your child's cognitive deficits and general behaviors overall.]

Attached, please find some of the most frequent behaviors and incidents that we see on a daily or weekly basis, along with a number of specific examples that illustrate [insert child's name]'s severe impairments in memory, orientation and/or judgment. Note that these examples are not exhaustive but are merely a sampling of the types of incidents we deal with around the clock.

| Date                          | Incident                                                                                                                                                                                                                                                                     |
