

Glendon Athletics Sponsorship

Sponsor a Noble or Marquise

Northern Lights Public Schools will support programs which promote a healthy lifestyle and mental health and wellness for students. This aligns with the philosophy of Glendon School's Athletics Program, which ensures that all kids who want to play have the opportunity to play.

Recognizing that some of our families are faced with increasingly difficult economic times in our community, we are hoping to explore other ways to support our student athletes. Over the course of the last few years, we find that more and more athletes struggle to have enough money to cover the cost of the fees required to play sports. We want to work together to remove any barriers that may limit students from participating in activities that promote a healthy, active lifestyle both now and in the future.

We are calling upon members of the Glendon community and surrounding areas, former graduates, local businesses and Athletics Alumni for their support.

Here is what YOU can do (check those that apply):

- ☐ **Sponsor a Noble/Marquise:** Sign up for a one-time sponsorship of \$250 which will enable an athlete or athletes to play one or more sports for one academic year. Sponsors can determine sport or activity of choice. *Student eligibility is determined by financial need.*
- ☐ **Sign up for a yearly sponsorship of an athlete:** Provide the Athletics program with an annual sponsorship of \$250. This will support countless athletes over the course of many years.
- ☐ **Sponsor an amount of your choice:** \$_____

***Please make cheques payable to: Glendon School**

Here is what WE want to do for you:

- E-mail you our school's weekly "Athletics Update" newsletter and our school's monthly newsletter so you can stay connected throughout the year.
- Recognize your contribution through a variety of formats. For example: school newsletter, social media platforms such as Facebook, Twitter and our school's website, and sponsorship certificate.
- Receive a formal invitation to our annual Athletics Awards Banquet in June.

You may be provided with a charitable tax receipt from Northern Lights Public Schools upon request.

** For parents of students attending Glendon School, sponsorship can only be processed once all outstanding student school fees are paid in full.*

Thank you for helping our students to experience athletics and in turn stay happy and healthy. Without your help, many of these aspiring athletes would not be able to play. The students and the Glendon Athletics program thank you for sponsoring our Glendon School athletes program.
