

AWARENESS DOCS ABOUT CERB'S AND MISHA'S (misha's **mostly resolved**) BEHAVIOR !!

INFORMATION

THE DOC IS VERY OUTDATED, first time made on 1st of march. Yet still keeping it public because I don't see a reason to put it down ♥

Yeah I simply moved the reentries to here, since my reentries were getting deleted :3. It contains everything that was in the both reentries ([.co/cerbmishcallout](#) & [.co/cerbmishawareness](#)) !!

MISHA'S MEDIA; [github](#) (cerb deleted everything)

misha pls stop making multiple gh acc's it's not even funny anymore LOL ++
he's been showing up more often on safe serv lately btw

Cerberus - 18, he/him | Misha - 17, they/them . **DO NOT ATTACK THEM FOR ANYTHING SAID HERE. I'm spreading awareness about them to show their behavior and how it affected me AND Vinny.** Will be more than delighted if you can share it <3.

20/03/2024 ; WILL ALSO SOON ADD INFO ABOUT THE HARASSER (Cerberus friend) SOON when i'll be sure they got ip banned. (The same person who harassed me in my guestbook and world txt - all below!)
What happened? started harassing me on a public pt server, spreading lies about me which is basically illegal(?), very heavy nsfw rumors which are TOTAL LIES, and if you ever see them on pt w my github user in name, know its a 14 yr old harasser which also misgenders me for 'she' and has NO respect towards me :3!

19/07/24 - i got lazy brah sorry i still have the ss btw -w-

some pics from the previous reentry might not show up , because I think they're unnecessary.

Sorry the doc got a little messy lol, if anything is hard to read contact me on my retrospring (go on github to contact the retrospring) or add my discord thanks

FOR ANY QUESTIONS ; yaoilogist <- is my discord!! ;3

DISCLAIMER !! most things are already resolved with Misha. I kept 2 topics about them though because I feel like behavior like that is bullshit and it shouldn't be deleted from here. Do not attack them for anything.

DOC OWNER'S - [Orpheus](#) , with help of [Vinny](#).

"Who are these people?" - Cerberus WAS quite known on the safe server, and I bet any of you saw him atleast once or more, or even interacted with him. He's the type of a person to interact with strangers, no matter age. And Misha is his asocial partner which usually sits with him, yet they also talk a lot. *They moved on 18+ though, so I don't think y'all will see them around often ever again on safe.*

TOPICS THAT MIGHT SHOW UP IN THE RENTRY ; suicide, guilt tripping, nsfw (p-rn , sexual activities, sexualizing), harrassment

EXPLANATION

red bold text - resolved

things both of they did (mostly cerberus) ; misgendered me and vinny, sexualized hsr characters (safe serv), did nsfw jokes on a safe serv/in presence of children, cerb sent his friend at me to harass me in my gb/world txt, wished vinny to **khs** , made fun of vinny's personality disorder (**misha side resolved**), **made fun of me being hypersexual (resolved)**, misha guilt tripping me and vinny that we are bringing cerb to **suicide**, cerb guilt tripping me that i'm acting all high n mighty and that i used them, **misha guilt tripping vinny that i manipulated her (resolved) extra** ; cerb's friend **clara** - used transphobic sentences towards me, called me a freak, guilt tripped me about the previous reentry | cerb's friend **nyx** - supported cerberus even without any proof when i asked them for it, they know each other fro like a week (it was less than a week then) lol

CERB'S + MISH'S NSFW JOKES

disclaimer ; I was 13 then when they made these jokes. Even though I told them i'm hypersex and I don't feel comfortable with nsfw mentioned near/around me, they still continued to do these because they only cared about their own comfort ;3 (plus they weren't tgt yet, bc they're a couple (**20/03/24 - alr broke up**))

SEXUALIZED HSR CHARACTERS ON SAFE SERVER (cerb + his friends)

info ; I told Cerberus it's not okay to do these especially that on this server there are kids. I told him that his nsfw jokes which he made in public + his stupid text file with **mostly** nsfw copy pasta from pony town are shitty and he should move to 18+ so me, anyone else and him (+ misha and their friends) would feel more comfortable. I kindly asked them once a while why won't they move on 18+ and the **ONLY REASON** was '**Misha is 17, he can't**'.

I also told Cerberus that this shouldn't be happening on safe server, and all he replied to me 'Js lemme do my thing and you do yours'. Even though they should've moved to 18+ in the first place, because Cerb's friends (most) are also above 18+. But he didn't even want to change servers when his lover, Misha, wasn't around. And that's what makes me pissed off

making nsfw jokes on a sfw server where there are KIDS uncomfortable with such are also unfunny "they can hide u" they can but that doesnt mean its appropriate to make these still???

Today at 17:13

js let me do my thing and you do urs

Plus they moved on 18+! Finally! Yay!

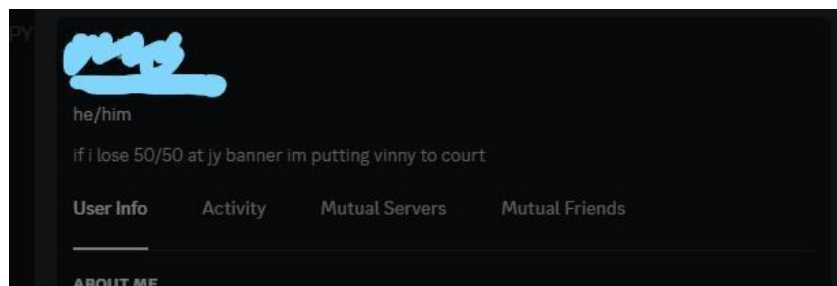

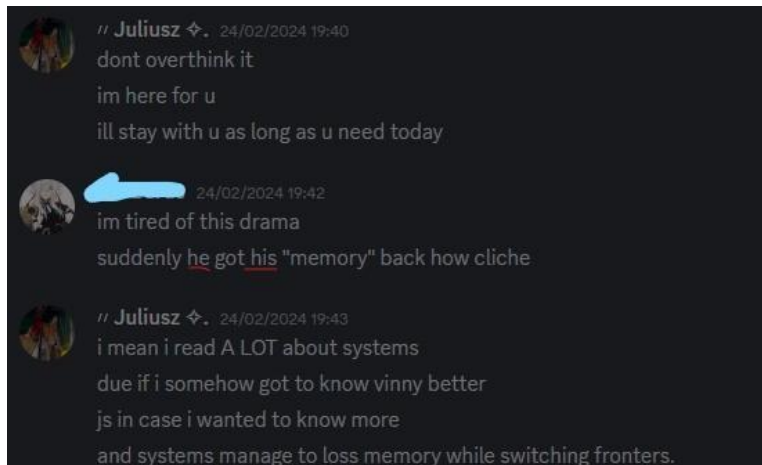

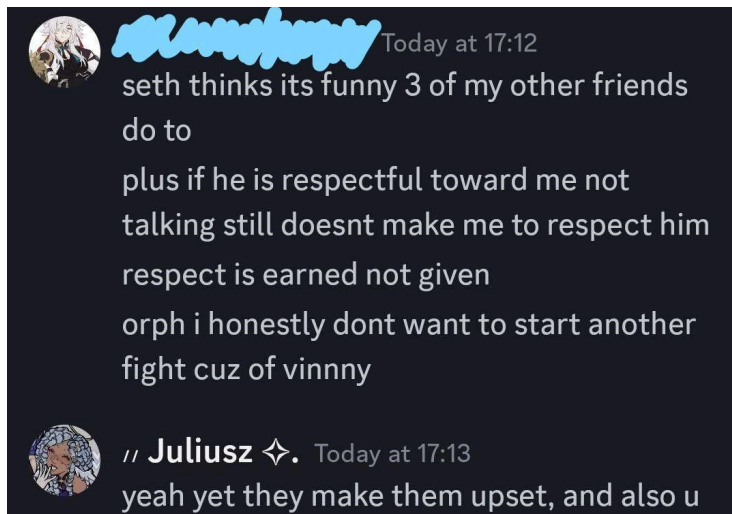

CERB'S JOKES ABT VINNY, MAKING FUN OF VINNY'S PERSONALITY DISORDER

Cerbs side ; His jokes abt Vinny were only because he had hatred towards vinny because of our beef we had (which lasted 2 weeks, but now I'm on good terms with Vinny.) When I told him his jokes are unfunny, he basically started to excuse himself. Plus, the red

underlined part is cerberus misgendering vinny (she uses she/they.) Also made fun of Vinny's personality disorder, finding her memory loss somewhat absurd

'Respect is earned, not given' yes, but u earned her respect. She does deserve yours, aswell.

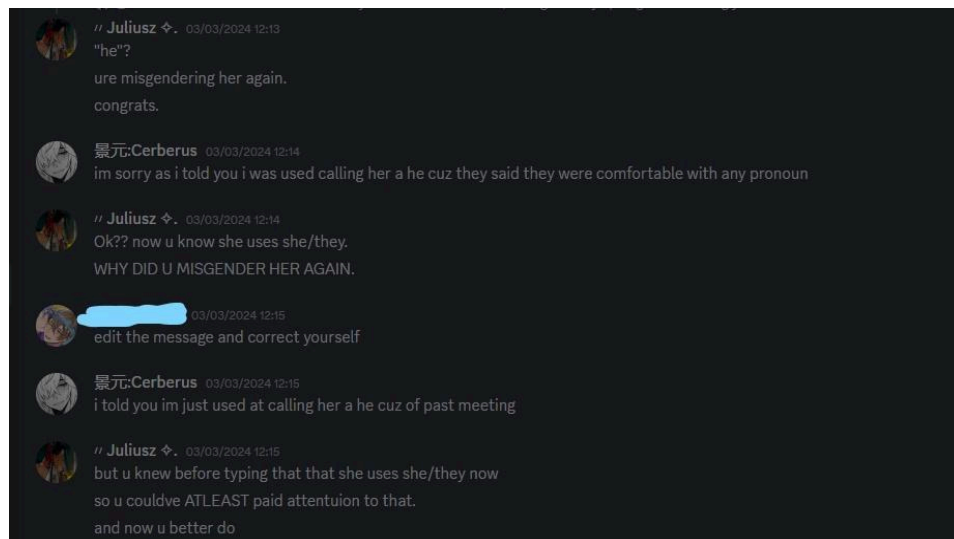

14:53 [e1 jy farming] if i lose jy banner vinny gets hidden forevr
14:53 [! ME | dry unls cf.] Ok

Misha's side ; RESOLVED , TALKED OUT .

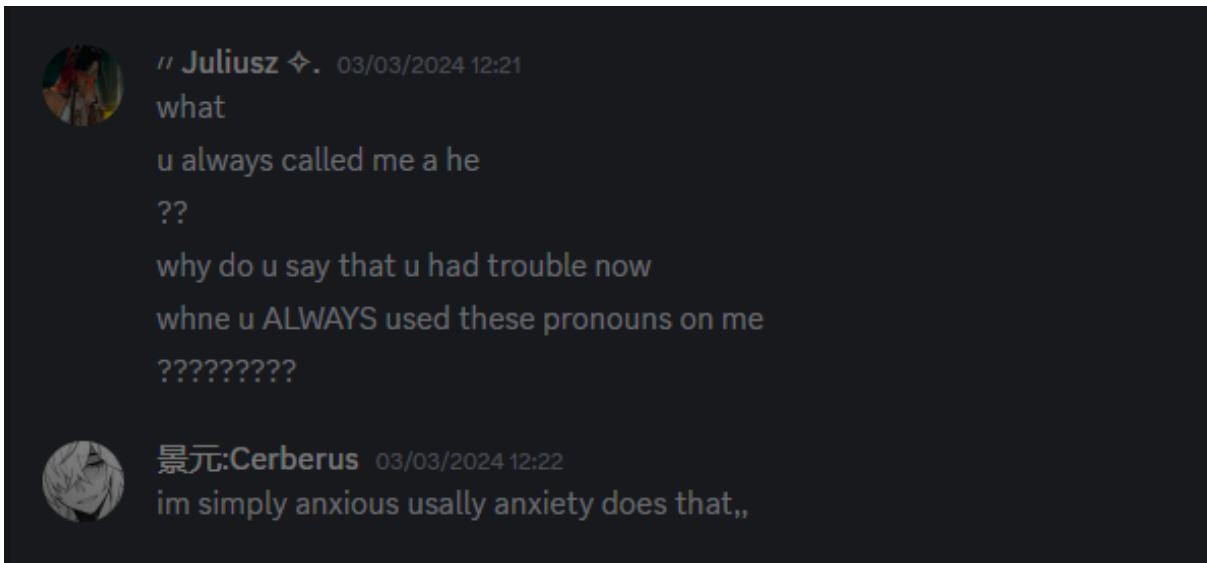

CERBERUS MISGENDERING ME AND VINNY (+ his excuses)

The screenshots are from MY group with Cerb, me, my friend and vinny. Cerb basically misgendered me and Vinny, blaming it on his anxiety, which is another excuse of his. I explained to him that his anxiety doesn't do anything here, and it's only his fault and he's the one to blame himself only. About misgendering Vinny, his excuse was 'I'm used to calling her a he' which is one of his bullshits he tried to excuse himself with.. It's seriously upsetting. I myself have problems with anxiety, high stress, and I am medically recognized with them + taking meds. And I never happened to forget someone's pronouns/misgender them.

Missgendering Vinny :

Missgendering me :

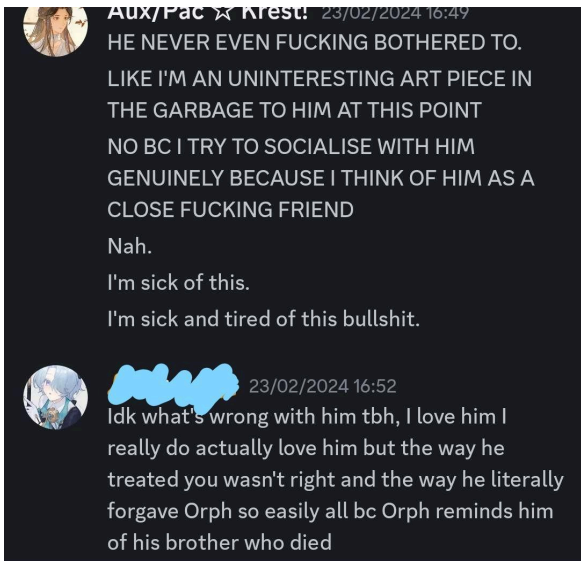

22:44 [baidu] whispers: i wanted to say sorry ab orph situation ik she vented to you ab mish and me but she didnt fixed no relationship

CERBERUS COMPARING ME TO HIS ... BROTHER

And what's the unfunniest thing? He never told me anything about it. I found out barely a few days ago about it from Vinny. And he told me that it's true himself a few days ago. I honestly feel so pissed at him till now, and I won't forgive him so easily for that, because I treated him as family and as my older brother. And I won't easily forget this.

(SS from Vinny's convo with Misha)

CERB'S AND MISHA'S SLIGHT GUILT TRIPPING, FORCING

TO PUT IT SHORT. Me and Vinny didn't want to int with anyone unless eachother, and cerberus didn't respect my 'dnu vi' in my name, and he whispered me some shit, which made me change my name into 'do not whisp/int unless vi'. And Vinny did the same.

Then Misha texted Vinny about it, asking for proof it isn't towards cerb (**even though it was towards everyone/srs**) because he might **h-rt himself/thr-w up** if we don't send him it right at the moment.

TALKED IT OUT WITH MISHA , YET CERBERUS DIDN'T DECIDE TO EVEN CONTACT US IN THIS TOPIC TO TALK IT OUT AND WHAT HE EXACTLY MEANT.

 Today at 14:08
Cerb thinks Orph's pt name is directed at him since after he whispered Orph, Orph changed his name to the do not whisper thing.. he's really anxious rn, I told him that you probably would've told me if it was directed at him but now after that he's sure it's directed at him

 **Aux/Pac ☆ Krest!** Today at 14:11
I mean... he did say don't whisper him

 Today at 14:12
Yeah but like b4 he changed it to that
Apparently Cerb whispered Orph and then Orph changed it

 **Aux/Pac ☆ Krest!** Today at 14:12
He didn't want to talk to anyone, since he had dnu me
Did Cerberus even see it?

 **Aux/Pac ☆ Krest!** He didn't want to talk to anyone, since he had dnu me
 Today at 14:13
If it's not directed at Cerb can you get of screenshot of Orph saying that since he'll whisper you.. just so Cerb calms down.. the last thing he said to me is that he feels like he's gonna throw up
Anything would help

 **Aux/Pac ☆ Krest!** Today at 14:14
we're talking on disc

 Today at 14:15
Can you get a ss of a dm of him saying it's not directed at Cerb or smth.. he's really stressed rn I really don't want him doing anything to himself.. Cause he's not believing me now and I'm telling him
That it isn't

 Today at 14:18
I know more about him than Orph does too, so asking Orph if he would do anything to himself, you're not gonna get a direct answer like you would with me. I doubt he'll do anything either since he has me but that's what I've though in other relationships
I've been in
And they say they won't do anything to multiple people (edited)

 **Aux/Pac ☆ Krest!** ...uh huh but you're in another relationship now, so not everyone is the same, Mish

 Today at 14:23
Yes but I'd rather not risk having some kind of repeat?

CERB'S ARGUMENT W MY FRIEND (before he apologized)

22:44 [baidu] whispers: i wanted to say sorry ab orph situation ik she vented to you ab mish and me but she didnt fixed no relationship
22:44 [baidu] whispers: the only time i vented to her was 2 when she was ther opening random drama
22:44 To [Zhongli ~ME!~] give me a second cerb is messaging me let me ss
22:45 [Zhongli ~ME!~] whispers: Wtf
22:45 To [baidu] To be totally honest cerb I'd usually understand ur point but Orph is right with urs and misha's relationship being toxic.
22:45 To [baidu] This might be a bad impression on me
22:45 To [baidu] But the amount of times you've said "Mish doesn't trust me" or something else about mish in a negative fashion isn't healthy at
22:45 To [baidu] all.
22:46 [baidu] whispers: how so ? wdym toxic i mean sure at first we did hide things ab each other

22:46 [baidu] whispers: how so ? wdym toxic i mean sure at first we did hide things ab each other
22:46 [Zhongli ~ME!~] whispers: what did cerb say
22:46 To [baidu] Also the fact that you're blaming the whole situation on a 14 year old feels really off putting
22:46 To [Zhongli ~ME!~] discord
22:46 To [Zhongli ~ME!~] ill send u ss of everything
22:46 To [Zhongli ~ME!~]
22:46 [Zhongli ~ME!~] whispers: okie dokie

22:47 [baidu] whispers: how you know whats the relationship btw me and mish ?

22:47 [baidu] whispers: js cuz u heard it from orph two times i vented to him?
22:48 To [baidu] It's because youve told me as well Cerb.
22:48 To [baidu] You've said things like "I don't know about mish" "Mish doesn't trust me" e.c.t e.c.t. And then you still go back to him.
22:48 [baidu] whispers: i dint told u full ab whats happening plus we did fixed rge issue not to long ago

22:48 [baidu] whispers: i dint told u full ab whats happening plus we did fixed rge issue not to long ago
22:49 To [baidu] Sorry Cerb but you should know from our convo when to draw a line.
22:49 To [baidu] you said 15+. You vented to a 14 year old.

22:50 To [baidu] Cerb I think you just need to think things through and apologise to Orph. Orph was the one truly hurt.
22:50 To [baidu] and vin as well.

22:50 [baidu] whispers: nah

CERB'S FRIENDS HARASSMENT IN MY GUESTBOOK (+ world txt/**slight tw**)

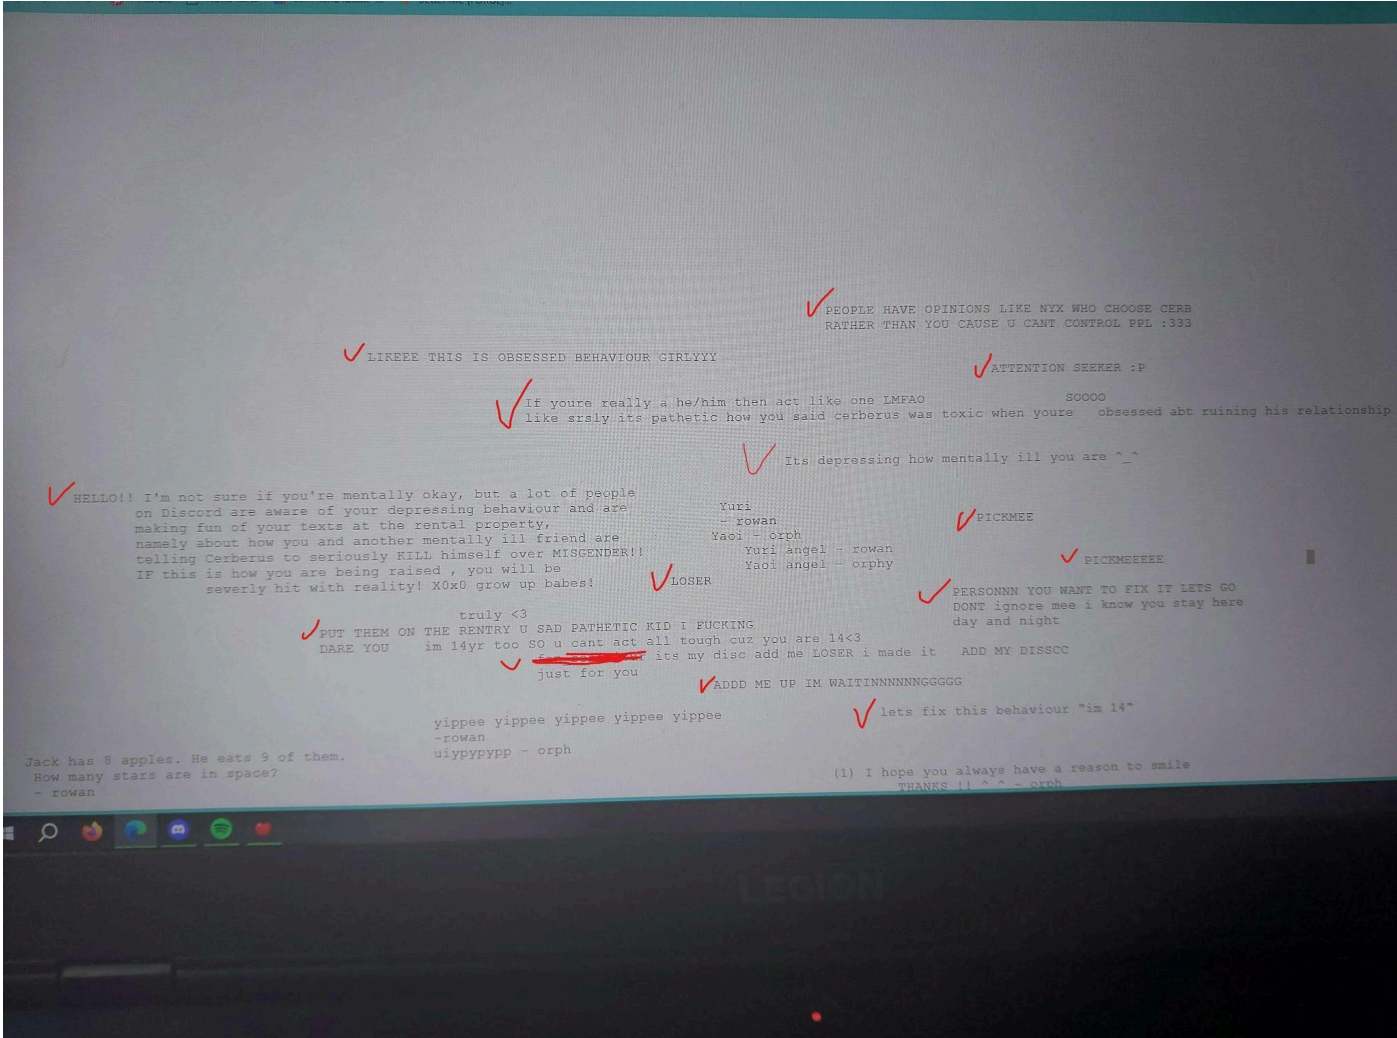

20/03/2024 THEY'RE NOW HARASSING ME IN PONY TOWN PUBLICLY. THEY HID ME THOUGH SO I CAN'T SEE, DO NOT BELIEVE ANYTHING THEY SAID. I'll add it soon.

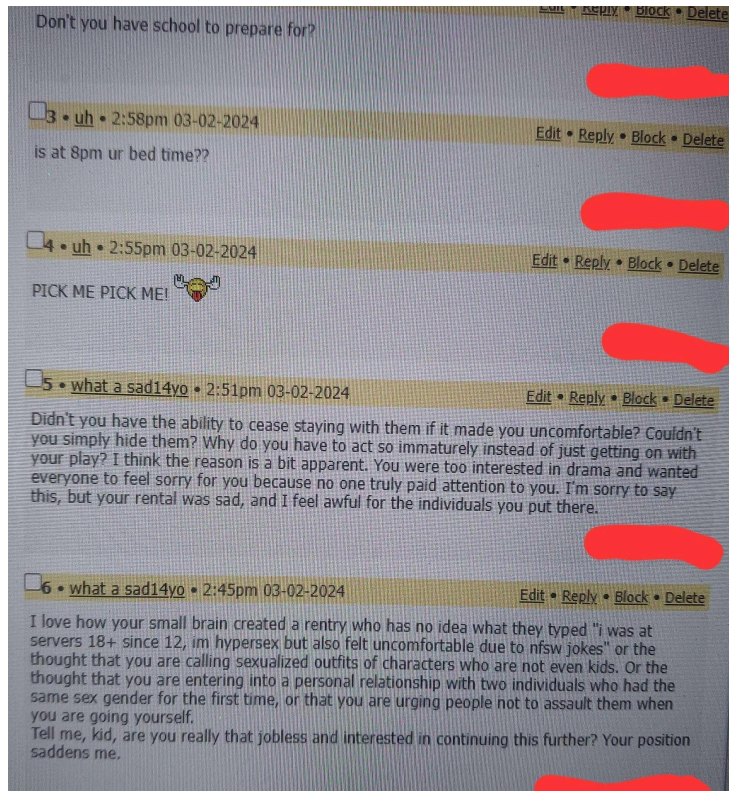

I'm not gonna argue about what shit they wrote, because Cerberus told me why they wrote that and that they didn't pay attention to it. I argued on the previous reentry, now I won't waste time on it. But their shit they wrote is absolutely disgusting, plus it's proof that they can't seriously read. Cerberus told me that they involved themselves in the drama for no reason - because they were 'bored'. (the 2nd pic - the thing with the **red ✓** is what they wrote towards me/srs.) Sadly I couldn't ss it any other way. There was a lot more when it comes to world

text, if you really want it, discord **singrobin** add it and tell me ur github user so i'll actually send it to u ;3

```
ill add cerb and u can talk it with him
nahhh ;/
why you are being such headstrong wtff
i LOVE THE ATTITUDE ON HOW u say "I WANT TO FIX IT"
BUT DONT At same fucking time!!!!!!!!!!!!!! :DDDDDDDD
Okkkkkkkkkkkkkkkkkkkkkkkkkkk bc u shouldnt be involved in this
lmfao cerb can add me himself on discord if he wants and not
sending his friends at me
```

Cerberus Today at 11:36

MISHA'S + CERB'S GUILT TRIPPING . (tw su--ide / + manipulation)

I'm actually so pissed at them for what they did here, and I WON'T forgive them for that.

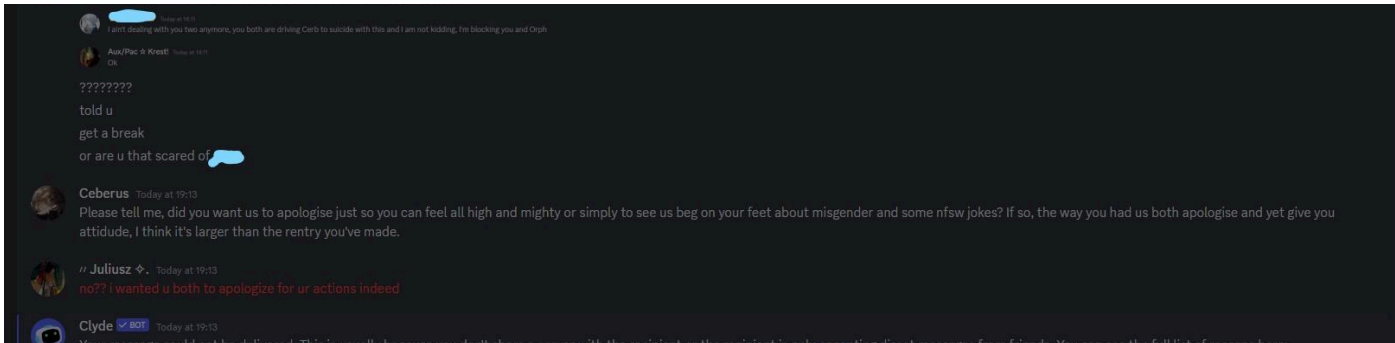

They wrote that to me after I told them I don't forgive them even if they apologized (I discussed it with Vinny for 2 hours straight, we both decided to not take the reentry down + don't forgive them) And they started to do.. these. (pics below).

MY STATEMENT TO BOTH OF THEM (by copy-pasted i meant misha's apology, it was copy-pasted.)

THEIR.. BULLSHIT..

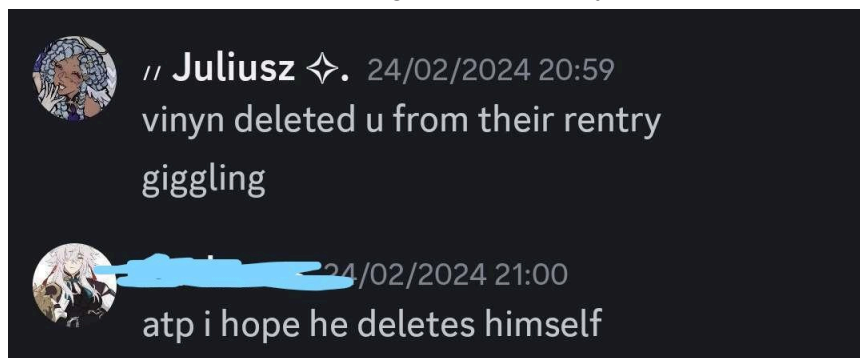

And I am gonna keep my word here!! I wanted you both to apologize, yes. Indeed. Because I deserved it, along with Vinny. But I have every right to not forgive you, because even though I took both of your apologies into consideration, I still keep the same opinion. You both did too many things that broke me mentally. And then you start guilt tripping me, accusing me of manipulation and more. I honestly wish you both were better than this.

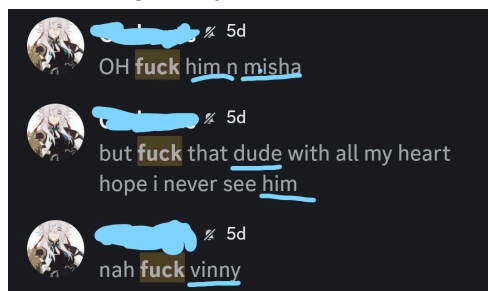

MISHA'S GUILT TRIPPING TOWARDS ME (orph) ; TALKED OUT, RESOLVED.

OTHER THINGS W/ SCREENSHOTS

Cerb wishing death to Vinny ;3

Cerb insulting Vinny and Misha (his partner)

Cerb venting to my friend (the one from the pt argument) mostly its about that cerberus vented to me and my friend often about how misha doesnt trust him/they wont last etc etc and then continue to lie to his lover abt it LOLOLLLLL he always told me n my friend how they 'won't last' and then he continued to act all lovely

I HAVE MORE, BUT I THINK THEY'RE UNNECESSARY IN SOME ASPECTS. THE HSR SCREENSHOTS WEREN'T A GREAT SOURCE OF PROOF.

OTHER NO-SCREENSHOT THINGS I'VE/MY FRIENDS EXPERIENCED W THEM

**Cerb copying/heavily inspiring off styles - vallon,
Cerb sending weird nsfw jokes to my friend - rowan,
Cerb using L slur - me (and i'm srs, he couldn't reclaim it and it was a long ago),
Spoiling games lore in public chat - me,
Strange/weird talks to strangers on safe server - me ^_^**

So.. that's all! As I said earlier, do not attack them. + THIS GOOGLE DOC IS BASED ON .CO/CERBMISHCALLOUT AND .CO/CERBMISHAWARENESS DUE TO BOTH OF THESE GETTING DELETED.

They're on 18+ now, so you won't see them around often on safe. PLEASE SPREAD THIS LINK AROUND </3 ESPECIALLY PEOPLE WHO DIDN'T SEE THE PREVIOUS RENTRIES!!

++ as I stated at the start, 19/07/24 - misha is more on safe server now under NikoTheCreature github mostly w t4 supporter ;3

Biggest shoutouts to my friend (gonna keep them anon) for helping me through this n the co-owner .
