

# TRANSFORMATIVE MEDIATION STUDIO

## Supporting Self-Determination in Conflict

The Transformative Mediation Studio is a new support and development community for mediators (or mediators-to-be) who would like to deepen their understanding of the transformative approach and hone their skills.

In the Studio, you'll start where you are, focus on the skills you'd like to develop, and level up from there. You'll hone your skills at your own pace via live group sessions, a community message board, and a developing library of resources.

Members will be invited to four drop-in sessions each month (held at different times to accommodate different schedules), which will include Q&As, case consultations, and opportunities to practice your skills and receive feedback.

### HOW WILL THIS WORK?

The Studio will be a place of co-creation, where members bring their questions, struggles, and challenges so we can work through them together. Each member's question or challenge will provide the fodder for new material and content, allowing the Studio to evolve over time.

As a member, here's what you'll get...

- Weekly (4X/month) drop-in sessions, which will include demonstrations, Q&A's, case consultations, and opportunities to practice in large and small groups
- An online community where you can ask questions and get support from Tara and your fellow Studio members in between the live sessions
- Access to new workshops and trainings happening within the Studio
- A developing library of resources, including recorded lessons, practice prompts, and mediation demonstrations so you can access what you need, when you need it

### WHO IS THIS FOR?

The Studio is ideal for you if:

- You're optimistic about human nature (or would like to be 😊)
- You have a basic understanding of the transformative approach (e.g., you've participated in a basic transformative mediation training or the Transformative Mediation Essentials workshop/course)\*
- You're motivated to develop your skills as a transformative mediator at your own pace, on your own schedule
- You're excited to help shape a new support and development community for transformative mediators 🎉

\*If it's been a while since you've taken a training, just let me know and I'll help you get up to speed

## **WHEN WILL THIS HAPPEN?**

The studio will open on July 15th, and will continue indefinitely.

Once the Studio opens, you will have 24-7 access to the content and community.

Group drop-in sessions will be held the first and third Tuesday each month from 11am-12:30pm Eastern Time; and the second and fourth Thursday each month from 4pm-5:30pm Eastern Time (all sessions will be recorded for those who cannot attend).

## **WHAT IS THE INVESTMENT?**

For Founding Members (those who register before July 15th), the rate is \$85/month.

All members will be able to maintain their starting rate as long as they maintain their membership.

## **HOW DO I SIGN UP?**

If this sounds good to you, just drop me a line at [tara@tarawestmediation](mailto:tara@tarawestmediation) and say, "I'm in!" I'll take it from there.

If the studio is full by the time you reach out (I'm limiting it to 20 members to start), I'd be happy to put you on the waitlist A yellow thumbs-up emoji.
