

Squamish Cricket Club Code of Conduct

At the Squamish Cricket Club we aim to maintain a positive and respectful environment for all members. Please adhere to this code of conduct to help achieve this goal.

1. Respect and Participation

- Arrive on time for all matches, practice sessions, and meetings.
- Support your teammates, communicate well, and contribute to the team's success.
- Sign all required documents promptly.
- Pay membership and participation fees on time. If you have trouble paying, talk to a club representative confidentially.
- Attend social events organised by the club to build team spirit.
- Respect others' equipment by asking for permission before borrowing. Be prepared for the owner to decline, and always handle borrowed items with care.

2. Equipment and Setup

- Respect and take care of all shared equipment to ensure it stays in good condition.
- Assist in setting up and taking down equipment at practices and matches.

3. Commitment

- Regularly attend practices and matches. If you need to leave early, discuss with the coach or captain first.
