

Dear 6th Grade Parents/Guardians:

We are very excited to have a plan in place for 2021 Spring Parent Teacher Conferences. We would like to give you and your son/daughter the opportunity to spend some time in the building with their teachers to discuss their progress so far this Spring.

Please sign up for one 20 minute time slot for the time that works best for you. There are 5 student slots for each 20 minute time slot. You will have those 20 minutes to visit with the teacher(s) you wish to see.

In order to follow the Ray County Health Department and CDC guidelines, we need everyone to follow these expectations:

- Masks are required to be worn in the building at all times
- ***Only parents/guardians for each student will be allowed into the building.***

If you have any questions, please call the RMS office at 816-776-5841 from 8am to 3pm.

Please sign up for either the afternoon or evening session. Please scroll down the page for the session sign up.
