

Prospect Spirit Rock Guidelines

The purpose of the Spirit Rock is to have an interactive, visible means of communication for the school community. The Spirit Rock is available to be painted by individual students, school sponsored student groups, or parents/families of our students. All messages must be school or student related and not of a personal or political nature. The Prospect Spirit Rock is available for birthday greetings, congratulations or well-wishes. It is reserved on a first come, first serve basis and our PTO is offering spirit rock reservations online. Reservations will be completed using Signup Genius and payments will be made in the front office. You can reserve the rock for \$5 each day that you want your message to stay up and the payment must be made the same day that the reservation is placed. You may paint the rock anytime on/after 5pm the night BEFORE your reservation.

Paintings must be in accordance with the ideals set forth in the UCPS Code of Student Conduct (available on the district website). Students found in violation of these policies will be subject to discipline in accordance with the Code of Student Conduct. The group or individual painting the Spirit Rock assumes liability for any individual or member of the group or organization who may be injured and/or for actions associated with the activity, including damage to clothing and personal property, and will hold the school, UCPS, and the Board of Education harmless from the same.

TIPS and REMINDERS:

- The best paint to use is spray paint. You will probably need 2-3 cans for a good base coat. It will depend upon the color you are using, the color already painted on the rock and weather conditions. Remember, latex paint or paint that is rolled on will take longer.
- All materials, supplies and labor are your responsibility.
- The PTO and school assume no responsibility for people who paint the rock without reserving it.
- Any message that is deemed inappropriate will be painted over.
