

Hi Jack,

I really like the 3 mindset tips you shared to your audience yesterday. I can see how valuable that would be to help early stage entrepreneurs generate their first paycheck.

I visited your website after seeing some great results from your clients' businesses and wanted to take a look for myself. While looking over your website, I noticed a key gap in your outreach that, when done properly, can engage your audience and generate more traffic to your site.

This

This strategy has helped other reach financial, time, and location freedom. And now they are able to access the life they have been working towards.

Would you like me to send over my updated outreach?

Kind Regards,
Max
