Choose the Life series 《選擇生命》系列 《探索門徒擁抱基督生命的信仰》

Based on Bill Hull's *Choose the Life, Exploring a Faith that Embraces Discipleship*

Lessons 9: The Need (How) for the Life 門徒新生命的實行模式

I. Discipleship in the first century 第一世紀的門徒訓練

1. Making a serious commitment to follow a leader. 真心委身追隨領導者
2. Once learned everything from the teacher, will go and teach own disciples. 門徒從師傅那裡學到了, 就去教導自己的門徒
3. Discipleship without submission to at least one other person was unthinkable back then. 不須服從另一個人的門徒訓練是不可想像的
4. Disciples also needed to know how the teacher kept the commandment of God. (II Tim 3:10-14) 門徒要知道師傅是如何遵守神的誡命
5. A disciple fully taught will be like the master. (Luke路加 6:40) 完全受教的門徒, 就會像師傅一樣
6. In the first century, every disciple is expected to find and train up new disciples. 每個門徒都應該尋找新的學生
7. One distinction from the hypocrisy of the discipleship of the Pharisees: Christ's followers are expected to be servants. (Matt太 23:7-12) 與法利賽人門徒的區別之一: 門徒是耶穌的僕人
8. Most pastors today are not good mentors to ordinary church members since they are too isolated and insulated. 今天大多數好牧師都不可能是好師傅, 因為他們太孤立, 太忙, 太遠離會眾

II. Proper Discipleship 正確的門徒訓練

1. Disciples are learners 門徒就是學生
2. Follow the one who can teach you how to follow Jesus 跟隨能教你跟隨耶穌的人
3. Submission to at least one person 順服至少另外一個人
4. Discipleship should not be just a program “門訓” 不應只是一項教會秩序
5. The purpose of discipleship is to go deeper with God, to be shaped into the image of Christ 門徒訓練的目的是在內裡被塑造基督的形像
6. Character is developed in community; need a community of grace 品格是在群體中培養的; 今天這群體應是一所有恩典的教會

III. A discipleship model 門徒訓練模式

1. A disciple must submit to a teacher who teaches him how to follow Jesus
門徒必須服從他的師傅
2. A disciple learns Jesus' words (Bible study) 學習耶穌的話 (查經)
3. A disciple imitates Jesus' life and character (love, relationship) 耶穌的品格
4. A disciple learns Jesus' way of ministry (service) 學習耶穌的事奉
5. A disciple finds and teaches others for Jesus (evangelism, and make new disciples) 為耶穌尋找人並教導他們 (傳福音, 幫助多人作門徒)
6. Problem: very few churches practice the first and the last ones.
很少有實行第 (1) 和第 (5) 的教會

IV. The need to walk together (church community) in discipleship 同心合力的必須

1. Evangelism should begin with friendship 傳福音應從友誼開始
2. Introduce new believers to a community 將新信徒帶進教會群體
3. Teach them spiritual discipline 教導他們屬靈的操練
4. Live among unbelievers 要多與非信徒建立關係

V. The great **omission** in the great commission today 今天大使命的 **大漏洞**

1. The imperative of the great commission is to make disciple of all nations
大使命應該是去使萬民作門徒 Matt 太28:19-20
2. "Going" becomes optional "去" 成為 "可有可無"
3. "All" becomes "some" "萬民" 成為了 "一些"
4. "Teaching them to obey" becomes "suggesting them to do sometimes"
"教導他們服從" 成為 "建議他們去有時試試"
5. Once walk into a church, many no longer care about the people outside!!!
新信徒一旦踏進教會, 就不再多關心外面的人了!
6. As a result, discipleship is no longer imperative
以致今天教會愈來愈少有作門徒的信徒

VI. The heart of training 訓練的關鍵

The principles 訓練原則	The process 訓練過程
Imparting doctrine 教義生命傳遞 Relational 學習建立關係 Parenthood 有為人父母的信念	Conviction 堅信 Character 品格 Competency 能力
