2022-2023 KLA PTA Notes

December 6, 2022

New Business	PTA Activity Planning: • Family Sharpen the Saw: Tuesday April 25 at 5:30pm - date has been set. Family Learning Team planning the event. Would January be a time for the PTA to get involved and keep this moving? The Family Learning Team meets Thursday mornings 8:10-8:40 but could meet other times. Other staff on the team besides Holland; Weber, Dewell, Lorenzo. There are other staff in the building who are interested as well. Andrea could help with flow and bring information back to PTA meetings. Andrea will meet with Holland in January and try to attend one of the Thursday morning meetings. • Do we want to have any sort of "KLA night" over winter break? Bowling would be a fun option. Do we think we will have participation? Super Skate in the past has given a \$1 back. We might be able to execute something better in January with the 9/10th off and 16th off. Tentatively plan something for Sunday January 15th. Could get feedback at family learning night. • Family learning night is next Tuesday. It will be held in the annex classrooms with food served in the gym. • Dance update - Shannon and Jamie on Holland's planning crew. They will try and gather the troops over break. The dance is scheduled for February 17th. • Washington and McKinnely are having a Carnival and we are sharing some of our games and supplies. Supply conditions will be recorded at pick-up. • Order some clothing to keep on hand to sell. Could be a school store item to have to sell. PTA Supported: • Student Lighthouse is asking for money-they are planning to put decals in the foyer windows. Total quote is \$550. Kimberly said the building will put up half of the funds. We would pay \$275 if we agreed. Group of students designed and requested quotes. Kimberly asked the Student Lighthouse group to advocate for themselves on their why and put together a recording to be shared at our next meeting. The students worked with the company on their design and worked with the design team. We do have \$250 in the Student Lighthouse budget. However they intend to use their \$250 budget for the fun run. This would be in addition to their regular budget. Look at ways to collaborate with the team to potentially raise some funds.
Committee Reports	• Principal: Kimberley Carter - Family Learning Night next Tuesday Family advisory committee starting next month for more parent input. Improved arrival system. Chance to share what PTA is doing. She currently has 10 parent volunteers. Good opportunity to get more information from our families. • President: Andrea Skow - one question. January 3rd is the first day back from break. We can potentially move it to the 10th. There is a Family Learning Night in January but it is the 31st. Motion by Jamie second by Bree - to move the meeting to the 10th. Please, use the KLA Volunteer Application to register as a volunteer in the building. • Teacher Rep: Bree Campbell - no real concerns. • Enrichment Coordinator: Joni Salazar ◦ District Volunteer Application

Holland would move up from VP to President but whoever takes VP would be in line for President in two years. ● Movie morning at Collins Road Theater. But we would need an idea of numbers from a staffing standpoint. Kids packs at a discounted price. She will reach out again. Potentially over spring break option.
Adjournment	● Adjournment Time: 6:44Pm
Attendance	
After the meeting Dance Committee	After adjournment there was further discussion by the Dance planning Committee as follows: Potential Dance theme; Talked about Glow in the Dark, Winter Wonderland, Superhero/Princess, Luau, Masquerade. Glow in the Dark seemed to gather some support with additional ideas discussed - bring a canned food for donation to a local food bank and receive a glow stick Use the Leader Lab for the food area. No eating in the gym. Use the library for a decompression zone to provide quiet activities. Order glow in the dark beads from Amazon.
