

Privacy Policy for EgyFit

Last updated: May 29, 2026

EgyFit respects your privacy.

This application does not collect, store, or share personal information from users.

Information Collection

EgyFit does not require account registration and does not collect personal data such as:

- Name
- Email address
- Phone number
- Location data
- Payment information

Any data entered into the app is stored locally on your device only, unless otherwise stated.

Third-Party Services

The app may use third-party services that could collect limited technical information automatically, such as:

- Device information
- Crash reports
- Basic analytics

Examples of third-party services may include:

- Google Play Services
- Firebase
- Supabase

Please review the privacy policies of those services for more information.

Data Security

Since most or all data is stored locally on your device, you are responsible for maintaining the security of your device.

Children's Privacy

EgyFit is not directed toward children under 13 years of age.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time. Any changes will be posted within the app or on this page.
