Non-Transportation Areas for the 2023-2024 School Year

Areas sin transporte para el año escolar 2023-24

Non-transportation areas (walk areas) have been expanded for the majority of HCPSS schools for the 2023-2024 school year. Board of Education [Policy 5200 Student Transportation](#)[Links to an external site.](#) increases the allowable distance students may walk to school based on the distance between a student's home and school.

These changes result in an expanded walk area for our school. [Please view the online map](#) for our school that identifies the households that will not receive bus transportation next school year.

We will send out information if changes are made that impact our school community. If you would like to know more about the countywide changes that were made, please visit the [HCPSS website](#)[Links to an external site.](#).

Sincerely,

Dr. Alexia K.S. Couch

Principal

Estimadas familias de Harper's Choice Middle School:

Las áreas sin transporte (áreas a pie) se expandieron para la mayoría de las escuelas del HCPSS para el año escolar 2023-2024. La [Norma 5200 – Transporte estudiantil](#) del sistema escolar aumenta la distancia permitida que los estudiantes pueden caminar hacia la escuela en base a la distancia entre la casa y la escuela de un estudiante.

Estos cambios resultan en un área a pie expandida para nuestra escuela. [Vean el mapa en línea](#) para nuestra escuela que identifica los grupos familiares que no recibirán transporte en autobús el próximo año escolar.

Enviaremos información si se realizan cambios que afecten a nuestra comunidad escolar. Si desearan saber más sobre los cambios efectuados al nivel del condado, visiten el [sitio web del HCPSS](#).

Atentamente,

Dra. Alexia K.S. Couch
