Noelle Golling, Deputy
Principal

January 2026

Dear Parents/Guardians,

Congratulations! Your Buchanan senior has qualified for CSF Lifetime membership! If your student **would like to** earn the final semester of CSF credit to round out his or her CSF high school career, he or she will be encouraged to submit the [Spring 2026 application for CSF semester #8](#) during the upcoming application window: April 1 – April 30, 2026. This Google Form application is linked above and will be posted in your student's CSF Class of 2026 Google Classroom (join code: tvkay4rz); feel free to join as well if you'd like. Again, your senior **does not need semester #8** CSF credit to secure Lifetime membership; it is simply the last opportunity to get CSF credit for work already completed.

Qualifying for Lifetime CSF member status has entitled your student to a number of honors: an official CSF Lifetime member stamp on the final high school transcript, a special certificate, a special gold seal affixed to the graduation diploma, the CSF Lamp of Knowledge pin, the gold cords of CSF membership to be worn over the graduation gown, and finally, special recognition at the graduation ceremony! And, most notably, this honor brings with it an invitation to the CSF Awards Ceremony to be held at the Clovis Veterans Memorial District on **Monday March 16, 2026**.

This Awards Ceremony makes for a very special evening. Many students and parents have said over the years that this semi-formal ceremony, complete with dessert, video and student voiceovers, colorful program, and acknowledgment of the students who have earned the ultimate CSF honor, has been the highlight of their senior's graduation season.

Please discuss all of the above honors with your senior. We especially encourage you to join us for the very special award ceremony. Each CSF Lifetime member is allowed to bring three guests. The student's ticket is paid for, and the three guest tickets are \$15 each. Checks payable to Clovis Unified School District (not CUSD, Buchanan or CSF) or cash is welcome (ticket sales will be out of room 151 and dates will be announced soon to students and posted in their CSF Class of 2026 Google Classroom as well as on the [CSF webpage](#)). Once you have spoken as a family, please have your senior complete the CSF Ceremony 2026 Google Form; this form and everything in it is required so we have numbers and information in order to begin planning. We need responses to the [CSF Ceremony Google Form](#) by Friday January 30, 2026. Please also note the [expected dress code for the evening](#).

The ceremony is optional, so should your senior decide not to attend the ceremony, he or she will still receive the CSF Lifetime certificate, transcript stamp, diploma seal, CSF pin, CSF cords, and recognition at graduation. If you have any questions, please email me at brookconstable@cUSD.com Once again, congratulations on your senior's achievement and we hope to see you at the CSF Award ceremony in March!

Sincerely,

Brook Constable
