

Jordan Springer

I am Mr. Springer and I am originally from Pender Nebraska. I went to college at Wayne State College and graduated in 2024. Currently, I teach math, specifically Algebra 1 and Algebra II. I am in my second year coaching JH football along with coaching JH basketball and am starting as the head baseball coach next fall. Over the summer I enjoy watching baseball, going to the lake, and catching up on sleep from the school year. I have three siblings, one of which is also a teacher at Norfolk Catholic. Some of my hobbies include anything sports related and video games, especially Fortnite.
