

SB: Enhance your social media presence and maximize your potential with my assistance

Dear John,

Hello, my name is Hristo. I want to express my admiration for your online coaching content that I discovered through your Instagram page and subsequently, your YouTube channel. In particular, I was impressed with your video on staying motivated, and believe that you are a highly talented content creator who may be currently underrated.

Having reviewed your social media presence, I have identified areas that could be optimized to elevate your business to new heights. As such, I would like to offer you some free samples, as well as a complimentary consultation, as a token of appreciation for your valuable contributions to the coaching industry.

I am keen to collaborate with you to explore these improvements and am available to address any queries or concerns you may have.

Thank you for your time, and I look forward to the possibility of working with you.

Sincerely,  
Hristo
