## **Mascoutin Ladies League**

League Day is Tuesday.

If you cannot attend on a league day, you do not need to find a sub to play for you

Members will sign up on the weekly signup sheet before Noon Sunday before the corresponding Tuesday League Play so that the scorecards and foursomes can be finalized in time for League Day.

In order to win game prizes, you must have a USGA, GHIN or WSGA handicap. Members without an established handicap must register with the golf course to obtain a handicap and input all rounds of golf played.

League members without an established handicap can still participate in flag events and cash prizes.
