

CheckMate Privacy Policy

Last Updated: April 10, 2025

Thank you for using CheckMate! Your privacy and data security are important to us. This policy explains how we collect, use, and protect your information.

1. What Information Do We Collect?

When using CheckMate, we may collect the following information:

- **User-Provided Data:** Such as uploaded receipt images, manually entered items or amounts.
 - **Device Information:** Including device type, OS version, and anonymous identifiers for diagnostics.
 - **Usage Data:** Information about app features you use to help us improve the experience.
-

2. How Do We Use Your Information?

We use your information solely to:

- Analyze receipt images and extract item details using AI.
 - Calculate item splits and generate bill summaries.
 - Improve app functionality and performance.
 - Enable sharing of receipts (if initiated by the user).
-

3. How Do We Protect Your Information?

We take data protection seriously and implement the following safeguards:

- All data transmissions are encrypted using HTTPS.

- Receipt images are temporarily processed and not stored permanently.
 - We do **not** sell, rent, or share your personal information with third parties.
-

4. Third-Party Services

CheckMate uses the OpenAI API to analyze receipt images. Uploaded images may be sent to OpenAI for processing. Please refer to their policy at
