Applications discussed

S/2009/1365/FULL

Proposal: Erection of two storey side and rear extension. Erection of single storey rear extension.

Location: Bells Farm House, Church Road, Farley.

Members support this application.

S/2009/1272/CHANGE OF USE

Proposal: Change of Use for the continued siting of two caravans for residential accommodation to support rural business.

Location: Upper Brickworth Farm, West Grimstead, SP5 3RN

Although not in this parish, Farley ward members were concerned about this application, particularly regarding the noise pollution which affects Farley when the wind is blowing from the south west. This is an issue which is ongoing and has never been satisfactorily resolved, and should the Planning Authority be minded to grant permission, conditions should be attached to mitigate the problem further, and if the business should close, the mobile homes should be removed.

[Permission refused on 16th October 2009 – “fails to satisfy tests of existing functional need and economic financial viability”]
