Program Nondiscrimination Statement

The Compton Unified School District's Teacher Induction Program and Clear Administrative Services Credential Induction Program are committed to providing equal opportunities for all teachers and administrators who are participating in the program as candidates, mentors, or coaches regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, or any other legally protected status. We do not discriminate in admissions, retention, graduation, or any other aspect of our program based on these characteristics. We are dedicated to fostering an inclusive environment where all individuals are valued and supported in their professional growth and development.
