Dear Parent(s) or Guardian(s):

In February our 8th graders will have the opportunity to take part in *Be the Difference*. Students will discuss real life experiences and participate in numerous activities that promote integrity, compassion, empathy, and acceptance by learning more about themselves and their peers. The day's purpose is to promote a positive school climate for our students by building on student strengths. The day is meant to be a positive experience for everyone.

If you would **NOT** like your child to participate in *Be the Difference* please complete the form below and return it to Student Services by February 12th.

If you have any questions about the program please contact Anna Pierce at pierce_a@my.westcler.org

Thank you,

Mr. Jake Kallgren
