Other Playing Opportunities

Chapel and Church - Those students who are willing have the opportunity to play for chapel services or at church services. I will also help you prepare to play at your own church. See me to select music.

Honor Bands - This includes a day of rehearsals with a large band of area musicians, followed by a concert. This is a great way to get a larger ensemble experience and play with other students who want to continue to grow their skills. Students who wish to participate in an honor band will let me know and I will nominate them. The honor band organizers will select *some* students from each school to participate. Those students will be notified and given music to prepare. More information will be distributed as each event nears.
