PRESS RELEASE

08/10/2026

Ureka Education Group for UN Certified AI for Social Impact Global Initiative was awarded the AI Ethics, Governance & Responsible AI category at the AI World Series Awards 2026.

The best real world AI use cases were crowned this week at the AI World Series Awards taking place at Radisson Red, Dubai Silicon Oasis.

The event, run by the AI for Business Institute and hosted by Dubai Silicon Oasis is in its 3rd year and celebrates the most innovative Companies from around the World who are leading from the front when it comes to applied use of Artificial Intelligence.

This year we had 54 companies, 143 entries spanning across 13 countries for this year, which were evaluated by a large panel of independent expert judges.

The event saw 250 people attend the Gala Ceremony in Dubai to celebrate excellence.

About the Awards

The AI World Series is the ultimate celebration of businesses who are using AI to improve their business from around the Globe. The Awards are in their 3rd year and were launched back in October 2023. The AI for Business Institute enlisted ARCET Global to run the programme.

The awards powered by ARCET Global are Certified by the Customer Institute and their scoring model is endorsed by the University of Westminster in the UK. Each entry is scored by large panels of expert independent Judges based on a 1500 word case study and supporting evidence presented by each entrant.
