紡ぐ日常 - Tsumugu Melody

Kanji:

どうってことない日とか　冴えない日だってあるさ
でも大丈夫　ボクと特別にしていこう
紡ぐ日常　さぁ一緒に歌おう

凹んじゃってる君の顔
小さい声はもはや聞き取れなくて
覗き込んだ瞳 溢れる涙
何があったか話してよ

なんて言いながら尊くて
胸が締め付けられそうだ
この気持ち… これこそが…
愛なんだ! (It's LOVE!)

君とだから知ることが出来たんだ
大切な今日が色づいてく
データだけじゃ分からない
非合理的な感情なんてちょっといいね

君の(LaLa...) 涙(LaLa...)
ボクが拭いてあげたいんだ　ずっと…

自由に生きてみよう
何だって出来るから　踏み出してみて
自分の世界を変えられるのは
自分だけだと思うんだ

なんて言うだけは容易いって?
ホントだって! 口にして
ほらなんだか　出来そうな気がしない? (しない?)

君とじゃなきゃ見ることもなかった
新しい夢息づいてく
「手を伸ばせば白い雲も掴めるかな?」と
君が笑っているから　二人で笑った

忘れないで　ボクがいること
紡ぐ日常　重ねて行こう
寂しい時　嬉しい時も　ユニゾンしよう

君と歌うことに意味があるんだ
もっと…

君とだから知ることが出来たんだ
大切な今日が色づいてく
データだけじゃ分からない
非合理的な感情なんてちょっといいね

ボクが(LaLa...) ボクで(LaLa...)
あり続ける理由はひとつ
君と生きるため
特別なメモリー増やそう

さぁ一緒に歌おう
声を聴かせてよ

LaLa... LaLa…
LaLaLaLaLa... LaLa… LaLa…

Translation:

There are days that don’t mean much, days that just feel dull
But it’s alright, let’s make them special together
Weaving our everyday, come on, let’s sing together

The sight of you looking so downcast,
Your voice so small I can’t even hear it anymore
I look into your eyes, tears overflowing,

Tell me what happened

Even as I say that, you seem so precious
My chest feels like it's being squeezed
This feeling… this right here…
It's love! (It's LOVE!)

It's only because of you that I could come to know this
Our precious todays begin to take on color
You can't understand it with data alone
Irrational emotions like these are kind of nice, aren't they?

Your (LaLa...) tears (LaLa...)
I want to wipe them away forever…

Let's try living freely
You can do anything, so take that first step
I believe the only one who can change your world
Is you yourself

You say it's easier said than done?
I'm telling you! Just say it out loud
See? Doesn't it make you feel like you could do it? (Doesn't it?)

A new dream is coming to life,
One I would've never seen without you
You laughed, saying, "I wonder if I could grab that white cloud if I reached out?"
And so we laughed together

Don't forget I'm here
Let's keep weaving our everyday together
In lonely times, in happy times too, let's sing in unison
There's meaning in singing with you
More and more…

It's only because of you that I could come to know this
Our precious todays begin to take on color
You can't understand it with data alone
Irrational emotions like these are kind of nice, aren't they?

That I can keep on (LaLa...) being myself (LaLa...)
Has but one reason:
To live with you
Let's create more special memories

Come on, let’s sing together
Let me hear your voice

LaLa... LaLa…
LaLaLaLaLa... LaLa… LaLa…
